Ebenezer Baptist Association Meets

The Ebenezer Baptist Association held its 32nd annual session with Long Branch Church, Grover, N. C., September 24-25, 1942.

In regards to our present conflict the Ebenezer Baptist Association approves of the following:

1. We declare our full allegiance to our American government. We believe in democracy and strict application of it to all people alike.
2. We go on record as pledging allegiance to the flag of the United States of America and the Government for which it stands, one nation indivisible, with liberty and justice for all.
3. We declare ourselves true to the program of righteousness as set forth by Jesus Christ, the Fatherhood of God and the brotherhood of man.
4. We urge our people to refrain from any talk or sentiment that expresses an unfriendly attitude toward our national government.
5. The Negro has made the most rapid progress under the American government and we enjoy greater privileges here than under any other form of government. We therefore urge our people to stand loyally by the President of the United States in this crisis.
