

WE BOUGHT EXTRA WAR BONDS

4TH
WAR LOAN

Every patriotic home in America will want to display this emblem. Put it on your front door or on a window to show that you have done your part in the 4th War Loan.

Display your colors

Every patriotic home in America will want to put up this emblem!

This emblem is a symbol of your patriotism. It tells the world that you have done your full share in the 4th War Loan. Every true American will be proud to display it at home.

Our valiant fighting men... soldiers, sailors and marines... on every far-flung battlefield are on the attack... forging ahead steadily, relentlessly. Nothing on earth can stop them... **IF WE BACK THEM UP!**

Backing them up means throwing every dollar we can possibly spare into the fight *right now*... even if it takes sacrifice on our part.

That's the purpose of this 4th War Loan Drive.

To earn the right to display the 4th War Loan Emblem you must invest in at least one EXTRA hundred dollar Bond (at a cost of only \$75)... over and above your regular

War Bond subscription. But don't stop with one! Invest in all the extra Bonds you think you can afford... then invest in some more!

Remember, every dollar you put into War Bonds does double duty. It helps to win the war... and at the same time it insures your own financial security.

Here, too, is a chance to help your company meet its quota in this 4th War Loan.

Maybe this will mean sacrifice on your part. Maybe it will mean doing without something you want. But don't forget... while you are only *leaving* a few spare dollars... thousands of our gallant fighting men are *giving* their lives for you! Show that you're backing them up 100%. Invest in extra War Bonds to the limit of your ability. And display the 4th War Loan Emblem at home!
