Teacher Turnover
Each year approximately 92,000 teachers change positions, retire, marry, or otherwise make it necessary to obtain replacements. In other words, in about one teaching position in ten, each typical year there is an individual new to the position.

Strong Ship Covers
Ship covers should be strong enough to pull off and on a chair and to withstand use for a reasonable length of time.

UNSEEN ENEMY—Fighting hunger in war-torn lands is an endless battle. Member agencies of the National War Fund have brought to countless numbers of refugees in concentration camps, and refugee communities in neutral countries, supplementary food, medical, dental and surgical aid.

PRAYER

How To Pray, What To Pray For
There is a lot being said about winning the war, and the kind of peace terms we must make with Germany and Japan, and about postwar jobs after the war is over. In every town, county and state there is being set up "Planning Boards" to draw big plans to accomplish these things. There is a lot being said about Prayer, Prayer for What? How shall we pray? What shall we pray for? We have the answer to all these questions. We have had it for nearly two thousand years.

Jesus Christ, the Lowly Nazarene, gave us the answers to these questions along with a Perfect plan to end wars and have a Just and Lasting Peace over the entire world. He gave us a perfect "Blueprint" for this with every detail worked out and included a perfect postwar plan that will supply all the needs of the mortal man. A copy of this Blueprint, (The New Testament) can be found in most of the homes in America as well as the homes of lots of our so-called enemies. This plan was drawn by the Greatest Master Builder, and is perfect in every way, and it never has and never will be changed. What does this Blueprint say about "How To Pray?"

It says go into your closet and shut the door and pray to your Father in secret, and He will answer thee openly. What Shall We Pray For? When His disciples asked Him to teach them how to pray, He gave them what we know as the Lord's Prayer. Let's see just what is contained and just what we are praying for. The first sentence—Our Father who art in Heaven—Well, can I really and truly say this? Have I had that second birth, been born again? The birth that Christ told Nicodemus he must have. Am I really and truly a "child of God? Have I the right to look up into His face and call Him "Father? If we can answer "Yes" to these questions then we can go on to the next sentence, "Thy Kingdom come, Thy will be done here on this earth just as it is done in Heaven."

Do we really want His Kingdom to come? Are we willing to place our lives, our hearts, our minds, and our possessions in His hands and let Him shape and prepare them to fit into the building of the Kingdom of Peace that Jesus Christ, The Only Begotten Son of God came to this world nearly two thousand years ago to teach us how to build and left this "Perfect Blueprint" with every detail worked out and every question answered? If we can answer Yes here then this Prayer comes down to just two lines:

"Lord, what wilt thou have me to do."

Thy Will, Thy Will, Thy Will be done."

If we can really and truly pray this prayer it covers all the rest. It is his will that we have our Daily Bread and that we be kept from Temptations and that we forgive the ones that sin against us just like He forgives us when we sin against Him. If Americans would only make these two lines their National Prayer and begin to really pray in earnest things would begin to happen over this old bloody war-torn world of today. When we pray this prayer we settle our political question of how we shall vote on November 7, 1944.

Our Father is all wise and has the answer to any question that His children may ask.

He knows who started this war and the blueprint says, "Vengeance is mine, I will repay." Just let this come under the "Thy Will be done" and it will be handled right. Take a look at the Peace Terms that have been proposed by the Ten Big Leaders, Roosevelt and Churchill, (Mr. Stalin has not had very much to say about these terms) compare them with the teachings of the Lowly Nazarene and see how they differ about how to treat our enemies. Which is right? Who shall we follow? The "Thy Will" answers this question. Get your Bible and see what happens in other wars when God was taking a hand. Are we willing for Him to take a hand in this one? Shall we pray?

"Lord, what wilt thou have me to do."

Thy Will, Thy Will, Thy Will be done."

What brought on Postscript? We have the answer. They were all of one mind in one place. Some are honest and twenty-one are liars and some are liars and twenty-one are honest.
