Goins With Station Hospital in Italy

Cpl. Bright E. Goins, son of Mr. John Martin Goins, and the husband of Mrs. Viola Goins of Ewette, Wash., is now serving with a Station Hospital, Peninsular Base Headquarters, Italy, which has made an impressive record during almost two years of service overseas. During that time the total number of patients taken care of is somewhat over 3000 percent of the rated bed capacity of the hospital.

The hospital was activated at Ft. Lewis, Wash., July 15, 1942, and reorganized Dec. 15, 1942 at double its original size. It is literally a cross section of America: the personnel come from all sections of the country and included are American Indians and Chinese. The medical and dental officers are graduates of 18 different universities and two European universities.

The commanding officer of the hospital is Col. Frank F. Schade, M. C., who has been a Reserve Officer since 1930.

The organization called from the United States in March 1943, and first set up the hospital at Constantine Algeria. It moved to Italy in January 1944, and at present occupies its second location in Italy. Although the building was not a hospital originally, it has been converted into one of the finest hospitals in this section.

Figures cannot be given, but the overall death rate has been slightly over one tenth of one per cent.

The hospital has functioned both as a station hospital for the care of the sick and injured of the area in which it has been located, and in the chain of evacuation of battle casualties. Its versatility is further attested to by the fact that in addition to American patients, Canadian, British, Yugoslav, Polish, French, Czechoslovak have been treated.

Cpl. Goins has been in the Army for 26 months serving in North Africa and Italy.

Pfc. Premley Awarded Unit Badge

Private First Class James V. Premley, son of Mr. J. F. Premley of route 2, a truck driver, serving with a B-24 Liberator heavy bomber group, has recently been authorized to wear the Distinguished Unit Badge. He has been serving overseas since February of this year.

The award was made by Brigadier General Charles F. Bora, Chief of Staff of the 15th Air Force, to the 400th bombardment group for its outstanding performance on a mission against the Floridsdorf refinery at Vienna, Austria on July 2, 1944. At that time, the 15th Air Force Group commanded by Col. Chas. A. Clark, Jr., of San Antonio, Texas, was in the midst of a concentrated drive to knock out vital German oil centers. The Floridsdorf refinery was feeding a considerable amount of oil and gas to the Nazi Wehrmacht and Luftwaffe.

The 400th bombers battled their way through a savage enemy flak barrage to launch a devastating attack upon the target. Their bombs scored direct hits on many units of the refinery.

The citation reads in part: "Forty to fifty enemy planes violently attacked the formation. In a running fight which lasted for twenty minutes, the group succeeded in driving off the enemy fighters after destroying seven and damaging others. Later reconnaissance showed that a result of this attack, the Floridsdorf area was rendered non-operational at a time when the European War was approaching a critical stage."

SOIL CONSERVATION NEWS

(By Joe N. Craver)

Paul Mayhew of near Grover has nine acres of leoparden series on his farm. Paul says, "During the past two years I have averaged 500 lbs. of series acid per acre from the nine acres of series on my farm. This year's crop is bringing me 15 cents per pound for unshelled acid. Series is an easy crop to produce and as far it has paid me a good profit." Paul has a small farm fish pond which he plans to drain and restock this year.

The Broad River soil conservation district has secured fish for stocking ponds for several farmers throughout the County and plans to assist Paul in managing his fish pond.

Bonds Over America

BURY COTTON BARGES

Cotton, wool, steel and machine have advanced greatly in the past few years to the point and prospect of abundance. Many farmers ground their teeth on the cotton market during the past few years. The cotton market is now in a state of transition. The cotton market is now in a state of transition. The cotton market is now in a state of transition.

By Mrs. John G. Galt

The Union Prayer Hall met on Monday night, Jan. 22, at the home of Mr. and Mrs. Walter Brown, on Center street. Everyone present enjoyed the service. Visitor for the night was Rev. Davis, pastor of St. Paul Methodist church. The next meeting of the Prayer Hall will be at the home of Mrs. Maple Owens on Monday night, Jan. 23. Everyone is invited to attend.

Miss Louise Adams, Paris Mitchell and Ida Lewis, and Mrs. Ida Wise attended the North Carolina Union and Cooperative Convention of Charity held in Gastonia last week. Mrs. Julia Hawkins and Mrs. Maple Owens were called to Gastonia, N. C., recently to visit their brother and brother-in-law, Mr. W. B. Womack who was very ill. He has improved some.

Little Marjorie Guyonette Hawkins was given a birthday party on her third birthday, Jan. 12. Many guests were present. Ice cream and cake were served, and children's games were played. She was very proud of the many presents she received from her little friends.

The first Singing Convention for the Year 1945 was held at Vestibule A. M. E. Zion Church for the Church of God of Wake, N. C. on Sunday, Jan. 14. Eleven chorists were appointed and all took part in a wonderful song service. Re-election of officers was carried out by the committee. New officers are: Mr. C. C. Miller, president; Mr. W. L. Logan, vice-president; Miss Beulah Thomas, secretary; Mrs. C. C. Miller, Assistant secretary; and Mr. W. M. Gordon, treasurer. The collection was \$146.00.

The Good Hope Presbyterian Church had a rally Sunday night, Jan. 14, for the purpose of the completion of the church. The program was given by the young people. The amount raised in the rally and club reports was \$207.77. The chairman serving was Mr. D. B. Alexander.

It's the Quality of leadership that makes Leaders

ATLANTIC LEADERSHIP
 as the Leader

"Easy Come... Easy Go" means DANGER AHEAD

Let's get one thing straight. There is real danger to you and your family—and to your country—in the belief that it is all right for you to spend everything you make for week after another for pay envelopes will come to you this week.

Less of people felt that way in the last war, too. And they had rough jobs—no pay is steady. Readjustment always follows war. Business will have to be found for spending. Business will have to shift from a wartime to a peacetime basis. And no matter how much of an emergency is made up, millions of persons may find that, temporarily at least, pay envelopes aren't coming in so regularly and so far.

Take a pencil and figure out your real income, your necessary spending. What makes it your available income, your future spending fund. That's the way to plan your spending and your saving. For the present, buy only what you need. Invest in War Bonds and hold them to maturity. Save a good part of your income week after week. Build up a reserve. Build it carefully knowing that it is going to help take care of you in the adjustment period which is bound to come.

Then you can face the future with confidence.

First National Bank

Miss Julia Galt

Miss Julia Galt of South City Mountain Club at her home Monday evening, Jan. 22. She was a sister to Mrs. Mamie Kennedy who lives on West King street, and the mother of Mr. Albert Galt. Several arrangements were not made of this evening.

Miss Mamie McCree of Route 2, is visiting friends and relatives in New York City. She will spend several weeks there.
