### Letter to the Editor

Well, this is not one of the best in the series but I am quite sure that you, and just want you to know I do enjoy reading The Herald.  
 I guess you are wondering who I am and what I am doing. I am working for the Western Electric Co. and enjoying it very much. It is a very simple way of helping in the war effort. I guess there are a lot of people that think like some thing I did, that the telephone don't have much to do with the war. Well, if they would take a stroll through one of the offices they would change in a hurry. I am an installer and I work in the Installation Department. I like it fine.  
 Well, I guess I had better close and quit papping off so much. I hope you will keep the paper coming and keep K. M. on the ball.  
 Yours very truly,  
 Martin (Buck) Falls,  
 411 E. 10th Street  
 Los Angeles 3, Calif.
