

# Today - VICTORY

Tomorrow PEACE

## Bow Your Heads

This is the victory in Europe we have all awaited. Now in the hearts, brains and muscles of our American Youth lies the future of our country.

Bow your heads. Pray with the millions of mothers the country over as their hearts reach out over the seas, each one seeking out her boy, to protect him with the shield of her love until complete victory.

Seek and Ye shall find.

Let us seek added strength and fortitude for our men in our own sacrifice and devotion.

Let us focus every thought, every action, and every prayer on the boys who have fought for us and those who will continue fighting until the Japs, like the Germans, go down in defeat.

And, while each bends to his task with ever-growing fervor and energy, let us adopt a common symbol as our faith in victory. Let that symbol be War Bonds. Let us pour our money in a gigantic flood of goodwill towards our sons and brothers, as a spiritual shield for them.

This is partial victory. The lives of many of our boys are still at stake. Let them see that the soul of America is with them until Final Victory and Peace.
