To a devoted son or daughter, every day is Mother's Day.

But on the very special day that is dedicated to her alone, why not choose a gift that will be doubly welcome—a U. S. War Bond. It will be doubly welcome because it helps to speed victory and grows steadily in value to maturity.

DVORAK MEMORIAL

Antonin Dvorak, Bohemian composer, wrote melodies which were recorded as "String Quartets in F Major," Opus 58, in tiny Spillville, Iowa, in 1893. The composition consumed only 12 days. Later Dvorak wrote "Home With Variations," part of which, rearranged by Violinist Fritz Kreisler, became known as "Indian Lament." So that the spirit of freedom, which inspires men and women to create masterpieces of art in all forms shall endure forever, U. S. men are suffering and dying. Some folks can at least lighten their trials by buying War Bonds to furnish them with munitions, food and medical supplies.
