

Bible Reading Urged During Coming Month

According to annual custom, the American Bible society is this year again recommending a special series of daily Bible readings for the period from Thanksgiving to Christmas.

Attention to the special list has been called to Kings Mountain citizens by the Ministerial association, with the group urging that all persons, young and old, read these special passages.

The Bible readings contain a special, personal message for each day, it was stated, and were selected by tabulated votes by members of the armed forces, with the exception of the Christmas passages.

"The best way to bring peace and happiness to a troubled world is the teaching of the Bible," said Rev. P. D. Patrick, president of the Ministerial association, "and reading the Bible is the best way to learn the ways of living."

Mr. Patrick said that Miss Eoline Keeter, city schools Bible teacher, is featuring these selections in the school Bible courses.

Following is the daily schedule of Bible readings:

- Thursday, Dec. 6, Romans 8.
- Friday—Matthew 7.
- Saturday—Psalm 91.
- Sunday, December 9—Galatians 6.
- Monday—Colossians 3.
- Tuesday—Ephesians 4.
- Wednesday—1 Philipians 3.
- Thursday—1 Corinthians 3.
- Friday—Philipians 4.
- Saturday—John 15.
- Sunday, December 16—Psalm 1.
- Monday—Psalm 27.
- Tuesday—1 Corinthians 15.
- Wednesday—Psalm 46.
- Thursday—Matthew 28.
- Friday—II Timothy 2.
- Saturday—John 17.
- Sunday, December 23—Revelations 21.
- Monday—Revelation 22.
- Christmas, December 25—Luke 2.

Seed Exposition Set For January

North Carolina farmers, who are planning to attend the Seed Exposition and annual meeting of the N. C. Crop Improvement Association at Lumberton on January 30 and 31, will meet to begin selecting the seed now that will be exhibited.

Classes will be provided for both certified and non-certified seed growers of the state's major field crops. Cash prizes will be awarded for first, second, and third places in each group and ribbons for four-place winners. There will also be sweepstakes prizes in the corn, cotton, wheat, sweet potatoes, and soybean classes.

Educational exhibits on the factors affecting the production of high quality seed will be a feature of the meeting. All farmers in North Carolina

QUICK TAKES

"We've had the same trouble before with the rain!"

are eligible to enter exhibits of seed grown on their farms in the 1945 crop year. Entry blanks and a premium list may be obtained from the N. C. Improvement Association, State College, Raleigh.

Outstanding leaders will discuss the problems facing seed producers at the two-day meeting. National and state agricultural leaders will attend the event, and both the Lumberton Chamber of Commerce and the Tobacco Board of Trade are planning to make the meeting a feature attraction for farmers during the winter season.

North Carolina farmers are headed for a record egg production in 1945. Total eggs produced amounted to more than a billion through October.

The only food item under rationing control is sugar, and the USDA has extended import controls to include all sugar-containing products shipped to the U. S.

Many North Carolina farmers are missing a real opportunity of making good money by not raising sheep, say county agents of the State College Extension Service.

Naturally... she deserves a **DIAMOND**

FOR WAITING SO LONG FOR YOU!

For her long years of steadfast love and loyal devotion while you were in the Service "she" deserves nothing less than a fine diamond this Christmas. Come in now and choose from our fine selection.

Forever after, she'll proudly cherish this stunning diamond Engagement Ring... a masterpiece of brilliance and classic simplicity. **\$32.50 up**

Watches of Distinction

Just arrived: a wide selection of men's and ladies' watches in attractive styles. Accurate, dependable. **\$29.75 up**

Lady's wrist watch in the modern manner. 17 jewels. **\$29.50**
