Presents Bibles To 'Tennessean'

Three leather-bound copies of the world's "Best Seller" book, the Bible, will be placed in the club cars of The Tennessean, Southern Railway Washington - Memphis streamliner, as the gift of H. K. Buck, of Memphis, Tenn., terminal superintendent of the Illinois Central System, it was announced in Washington today by Ernest E. Norris, President of the Southern.

The handsome Bibles, eight by six inches in size, with "The Tennessean" in gold letters on the covers, were donated by Mr. Buck "for the pleasure and benefit of patrons of the Southern" and in memory of his mother and father.

Mr. Norris said that following a trip on the streamliner between Memphis and Washington, Mr. Buck wrote J. B. McWilliams, terminal superintendent of the Southern at Memphis, to compliment the Southern on the pleasant and comfortable trip on The Tennessean.

The Illinois Central terminal superintendent added that during the trip he observed another passenger in the club car request a minister to loan him his Bible for a few minutes. He then noticed, he wrote, that while the car was well supplied with current magazines, it did not have copy of the Bible available.

His offer, relayed by Mr. McWilliams, was promptly and gratefully accepted, and the Bibles will be placed on the trains in the near future, Mr. Norris said.

Mrs. Ola Byers was a recent visitor to New York City. Mrs. Bessie Ramseur, Mrs. Hattie Logan, Mrs. Alice Lutz of the Ebenezer church; Mrs. Daisy Shenk of Mt. Mr. and Mrs. L. G. Thombs of W. Ridge street and some others from Kings Mountain attended the Friendly Aid Union Convention at Earl Sunday. They report an unusually splendid session, with a large crowd and liberal finance.

Mr. and Mrs. Robert P. Tribble of W. King street, are visiting relatives

A Hyde County farmer visited the Lower Coastal Plain Experiment Station at Willard to see the tests on grapes. Incidentally he observed Ladino clover. Returning home, he purchased 100 pounds of Ladino seed, enough to plant 33 acres.

Beware Coughs from common colds That Hang On
Cremulsion relieves immediately because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and soothe and heal raw, tender inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Cremulsion with the understanding you must like the way it quickly always kills the cough or you are to have your money back.

Bert Childers and the Melon Patch

Bert Childers put an ad in the Clarion the other day. Here's what it said:
"Planted more melons than I can eat this year. Stop by and pick as many as you want. All free."
As you can guess, plenty of folks sent their kids over and plenty of the parents came too. Stripped Bert's melon patch in no time. And as they went away, Bert treated the kids to lemonade, and offered the grownups a glass of ice-cold sparkling beer.

Naturally it puzzled some folks... but Bert explains: "It gives me a kick to share things when I can afford to—whether it's the melons, or the lemonade, or beer. I guess I just like to indulge my whims."
From where I sit, if we had more "self-indulgent" people like Bert—who believe in share and share alike, live and let live, this tired world would be a whole lot better off!

Increased Rates Essential To Good Telephone Service

Your telephone rate is low and your Telephone Company wants to keep it a small part of your operating expenses.

While your rate has remained the same for many years, the total cost of furnishing telephone service to our North Carolina customers has steadily increased. Since 1941 expenses have advanced 102 per cent while revenues increased only 76 per cent.

Telephone wage rates in North Carolina have increased \$2,311,415 since March of 1945 (on an annual basis). The cost of erecting buildings has jumped 75 to 100 per cent, the cost of providing telephone facilities 45 to 60 per cent, and the cost of telephone materials 15 to 25 per cent. Fact is, all our expenses have been climbing so fast that—

the amount of money paid out to provide service is increasing faster than the amount taken in. Telephone earnings today are the lowest in our history in face of a record volume of business.

Southern Bell has applied for an increase of rates on business telephones to help meet this condition. Authority is also being sought for an increase of 5 cents on most long distance calls within the state.

We want rates no higher than necessary to provide everyone with good service and expand it. We believe you feel the same way, even if the cost is somewhat more, because the business and social welfare of this community depends on adequate telephone service.
