co-operate in observing Clean-Up week
The pupils were supervised while working both inside and outside the building. The stage was cleaned, the rooms and basements were swept and dusted, seats were washed, windows were cleaned, the trees were trimmed and decorated with white-wash, various rooms were decorated with drawings and other materials, and many other improvements were made. We are proud to say that the day was a success, and the time was well spent.

The pupils and faculty exhibited such a superior spirit of co-operation that Mr. Gibson and the members of the committee agreed to give them a surprise picnic, which was enjoyed by all.

Mr. Gibson and the committee wish to thank all who co-operated in helping the Clean-Up campaign to be a success. They are urging that the pupils and parents continue to clean up and fix up all that was not completed last week.

The grammar grades of Davidson high school feel very proud in that they have been invited to present the Newsboys' and Bootblacks' Minstrel Show March 31, 1949, at one o'clock at the Douglas High School in Lawndale, N. C.

The group expects to make a good showing. The directors are: Mrs. E. H. Baker and Mrs. K. W. Winston.

The King Star Quartette of Page-land, S. C., will render a musical program at the Bynum Chapel AME Zion church Sunday, April 3, 2 p. m. The public is cordially invited to attend. R. J. Brown, sponsor.

Mr. Jack Rhodes of Hartford is visiting his parents, Mr. and Mrs. Willie Rhodes in the Lincoln Academy community.
