

Chevrolet Mechanic Completes Bear Study

Ernest Rogers, mechanic at Victory Chevrolet Company, recently completed a three-weeks course in Bear front end machine and Bear frame machining according to an announcement by officials of the firm.

Mr. Rogers returned last week from Rock Island, Ill., where he took additional work on the two machines, which are used in aligning wheels of automobiles.

The local firm is equipped with Bear machines.

"We take pleasure in announcing that Mr. Rogers has completed additional work on the Bear units. It is in line with our policy to always make available to the public the very best in repair and maintenance of all vehicles," a spokesman said.

OUR DEMOCRACY — by Mat
PULLING TOGETHER

A GENERATION AGO, ONE OF THE GREATEST ASSETS ON A FARM WAS A WELL-MATCHED TEAM OF WORK HORSES. WITH A TEAM THAT PULLED TOGETHER, THE FARMER'S FIELD WORK WAS BETTER DONE — MORE QUICKLY AND MORE EASILY.

MANY OF THE THINGS WE DO TODAY ARE BETTER DONE, AND MORE SATISFACTORILY, WHEN WE PULL TOGETHER. WHEN A FAMILY DECIDES TOGETHER ON SPENDING AND SAVING — FOR EXAMPLE — BETTER PROVISION FOR TODAY'S NEEDS AND MORE SECURITY FOR TOMORROW, IS LIKELY TO RESULT. FOR THEN, EACH MEMBER FEELS A RESPONSIBILITY AND HAS A PART IN REACHING FAMILY GOALS.

Car-Truck Collided On Saturday Night

No one was seriously injured in a highway accident that occurred around 11:30 p. m. Saturday night near Macedonia Baptist church on U. S. 29 south of Kings Mountain according to W. R. Wooten, state highway patrolman.

Officer Wooten said a tractor-trailer, traveling north, was rammed near the center of the trailer on the left side by a 1939 Chevrolet driven by Thomas Jennings, of Gaffney, S. C. Neither vehicle overturned.

Jennings suffered two broken ribs. The accident was apparently caused by blinding lights, the officer said.

Dallas Russell Carrier, of Bristol, Tenn., was driver of the truck, a unit of Associated Transport.

No charges were brought against the men, Patrolmen Wooten said.

The State's barley crop increased from 9,000 acres in 1937 to 36,000 acres in 1942.

County Board Places Bounty On Crows

Cleveland county commissioners meeting in monthly session at Shelby Monday morning placed a bounty of 25 cents a head on crows during the months of April and May and authorized Martin Hoyle to receive the crows' heads at the courthouse and to destroy them.

This action was taken following the appearance before the board of D. G. Blanton and E. W. Dixon of the Cleveland County Wildlife club, who agreed that the club would pay half of the bounty. They pointed out that crows do a great amount of crop damage during the months of April and May by pulling up young corn and in other ways.

Lutherans To Have Confirmation Rites

On Sunday morning, at St. Matthew's Lutheran church, a class of eight young people will be received into the church through the rite of confirmation, performed by the pastor.

The Rite of Confirmation is one of the most ancient of the first Christian church. In it, these presented for confirmation, have been instructed in the Bible and the Catechism for a two-year period, and stand before the altar of the church in a solemn moment of dedication — giving themselves to Christ and promising to serve him in every way.

Confirmation is usually performed on Palm Sunday, the Day on which Christ made His triumphant entrance into Jerusalem and proclaimed King by the People.

The following are the young people who will join the church: Janice Kay Allen, Dean Flay and Donald Ray Blackwell, Charles Dewitt Blanton, David James Caveny, Mildred Juanita Lackey, Iva Anita McGinnis

and Grace Christine Still. The confirmands wear their white robes for this festive occasion, and the service is a most solemn one. We cordially invite the friends and relatives of these young people to this service. Special music will be given by the youth choir, under the direction of Mrs. Aubrey Mauney.
