A Question of Money . . .

This little girl is one of the lucky ones who is receiving anti-tuberculosis protection through U.N. International Children's Emergency Fund (UNICEF) in cooperation with the World Health Organization (WHO) and Scandinavian Red Cross societies. Extension of the campaign, which was to reach some 100.000.000 youngsters all over the world, is imperilled by UNICEF's tack of funds, now barely sufficient for this year's help program.
