

Juniors In 19-8 Loss To Charlotte

Kings Mountain juniors, after scoring 8 runs and leading 8 to 5 going into the third inning, failed again to hit effectively against the offerings of Bill Baker of the Charlotte juniors and dropped their 7th straight game in Area 4 competition last Saturday night in Charlotte 19 to 8.

Baker replaced starter Phillips in the second inning with one away. Max Bolin started for Kings Mountain, Charles Kirby came in in the third and Junior Hartsoc took over in the fifth and finished the game. The box score:

Juniors Lose 7 To 3 Game To Taylorsville

Kings Mountain split even in the two-game junior baseball series with Taylorsville losing a close game in Taylorsville last Friday afternoon by a score of 7 to 3. Jim Cobb, Kings Mountain shortstop, homered over the right field wall in the third with two mates on base for all of Kings Mountain's runs.

Pitcher Harris, righthander who was wild in the Kings Mountain 14 to 7 win here on June 6, lit the plate Friday and allowed only 4 hits while striking out 16.

Carol Ledford, Kings Mountain leftfielder, started on the hill for the locals and weakened in the sixth, walked a man and gave up a hit before being replaced by Junior Hartsoc in the seventh.

9th Frame Rally Short As Shelby Wins 17-15

Kings Mountain juniors dropped a loose group 2 game to Shelby here in City Stadium Thursday night, June 23, a six-run bottom-of-the-ninth rally pulling the final count up to 15-17.

Totals in the game probably set some sort of record—32 runs, 27 hits, 19 walks and 8 errors.

Kings Mountain defeated Shelby in Shelby on June 9 by a score of 11 to 3 to split the two-game series.

"WHAT a difference in comfort since we insulated our attic with

Gold Bond ROCK WOOL

"Now we get a good night's rest in bedrooms that before were like ovens. The whole family has more pep, eats and feels better. Housework, too, is easier." Our customers often volunteer comments like this.

The reason is that Gold Bond Rock Wool insulation blocks the passage of heat in much the same way as the insulated walls of a vacuum jug.

In winter, the same principle works to keep precious warmth inside. The resulting fuel savings soon pay back more than the cost of the insulation and continue year after year.

Find out today how little it costs to install this comfort and economy in your home.
