

## Mountaineers-Lions Tangle Friday In Annual County Gridiron Clash

The annual Cleveland county skirmish between high school football teams of Kings Mountain and Shelby is scheduled to be reeled off in City Stadium Friday night at 7:30 o'clock.

Although boasting an even 500, 2-4 record, four losses, for the season, Kings Mountain will take the field as the underdog according to most observers. Shelby has a season record of two wins, five losses and a tie.

Big boys in the Shelby attack are Dick Lackey, 170 pound, six-foot fullback, and Benny Allen, 200-lb. tackle and extra point specialist. Lackey and Allen co-captain the Lions, who have come roaring back to notch a pair of victories in the last two outings, 21 to 14 over Lincolnton last week and 18 to 12 over Forest City.

Lackey does most of the Shelby passing and has been hitting the last few games. He is also the punter with around a 45-yard average this season. Junior Paul Smith and Sophomore Eanos Dixon share the running duties with Lackey.

Jimmy Kiser, sophomore tackle and brother of Jerry Kiser, Davidson college sophomore standout, has been outstanding in the line for the Lions, as have several other "kid-brothers" of former Shelby stars.

Bruce Trammell and Bobby Ingle are fast rounding into top-notch flankers for Coaches Casey Morris and Lloyd Little.

Shelby's outstanding games this year have resulted in two losses for the Lions. They were nosed by Cherryville, 14 to 9 and Lenoir, 14 to 7 after leading both opponents for most of the games. Results of other Shelby games include: 0, Rutherfordton - Spindale 0; 7, Marion 25; 0, Charlotte Tech 13; and 0, Gastonia 12.

an ordinance to make use of burial plots in Memorial Park of Mountain Rest cemetery available free of charge to white veterans of Kings Mountain, the veterans to have served honorably in the Spanish-American War, World War I or World War II. The final adoption was slightly changed from the original draft, in that the first proposal included residents of Number 4 township. City Attorney J. R. Davis explained that there was some question whether the city could make its property available free of charge to non-residents.

The board granted the request of Mrs. Billie Gene McDaniel to cease operations of a taxi franchise, and in turn granted the franchise to Oliver Neal. It authorized the city engineer to obtain a body for a new electrical department truck at a cost of about \$950, and it authorized him to advertise for bids for a new police radio unit.

## Big Truck Hits Buick Tuesday: No Injuries

No one was seriously injured in an accident at around 12:30 p. m. Tuesday at the intersection of East King street and York Road.

A 1948 Buick, driven by Miss Jean Cash, collided with a 1949 White tractor and trailer owned and driven by Kenneth F. Cather, of Martinsburg, Va., according to the police report of the wreck.

The Buick was headed north toward the light at the intersection and the truck was coming into town from the Gastonia highway, police said. Witnesses for both drivers stated that each had the green light from the traffic signal.

Both vehicles were traveling around 20 miles per hour, according to the report. No charges have been made by the police department.

One officer stated that Mr. Cather "did a good job and probably saved serious injury" to the three persons in the Buick. Miss Betty Cash, sister of the driver, and Miss Francis Month, of Bessemer City, were passengers in the auto at the time of the accident.

The tractor turned right down Cleveland avenue in an effort to avoid hitting the Buick, the report noted, and the auto crashed into the vacant service station on the opposite corner.

first broke his nose, then his leg, and Clemonsee Boone, who also broke a leg.

First mention of the first team located in the Herald files appeared in the edition of September 21, 1922, and it was noted that the story had been omitted from the previous week's edition — quite probably due to linotype trouble, since another story reported the Herald had been late "because the linotype got out of whack."

The first story follows:

"The high school lads were given a light workout at the school grounds Tuesday morning by 'Red' Ormand, Trinity's star half-back. Good material is to be had for the making of a state contender for football honors. Thus far the positions are uncertain. The following have the 'stuff' and with a little seasoning would develop into a first class team:

"Heavy" Fulton, center; "Bow" Woodward, guard; "Fat" Hord, guard; "Fete" Peterson, tackle;

"Dub" McGinnis, tackle; "Corp" Houser, end; "Keer" Saunders, end; "Jack" Saunders, quarterback; "Bet-cha" Boone, half-back; "Dick" Ormand, half-back; "Lefty" Matthews, full-back; "Hawk" McGinnis, sub; "Squat" Falls, sub; "Fat" Cornwell, sub; "Liquid" McDaniel, sub; "Red" Morris, sub; "Abe" Wright, sub; "Hook" Gold, sub.

"There are several more candidates for different positions whose names are among the missing. With the help of Ormand as coach Kings Mountain can boast of a football team that stands among the foremost."
