Uncle Sam Says

There is nothing like assured security in the future to create peace and harmony in the home. And there is no better prescription for future security than U. S. Savings Bonds. That's why the head of every household should realize the necessity for a safe, sure and automatic Savings Plan. The Opportunity for saving is yours, you can start today and before you realize it you are on the road to peace and security. There are two saving plans available, the Payroll Savings Plan where you work, or, if self-employed, the Bond-a-Month Plan where you bank. \$3 invested today will grow to \$4 in ten years time. Sign up NOW.
