

Central Falls To Lions In Thriller 7-0

Kings Mountain roundly outplayed a heavier Shelby team here last Friday night but let a Shelby back get loose on a disputed 32-yard run that set up the only score of the game and the Mountaineers lost the Western conference thriller to the Lions 7 to 0.

A crowd of some estimated 1200, largest of the season, sat in on the annual Cleveland county battle and witnessed one of the most thrilling games of the year.

The disputed run, down the east side-lines by Shelby Tailback Dick Lackey, was in the third quarter of the game and created much consternation among the game officials. Umpire Daniels first called Lackey out-of-bounds around the Kings Mountain 30-yard line, then the stripe-shirts called a score. The ball was finally placed on the Kings Mountain 4-yard line and Lackey cracked over for the score after Full-back Paul Smith had gained two yards. Tackle Benny Allen kicked the point after from placement.

time they ran the ball but a pass interception by Tailback Charles (Poochie) Shytle, playing for regular performer Richard White, who was limited to punting and two rushing plays by a knee injury in the Charlotte game, around the

Kings Mountain 20. The Mountaineers held the Lions in their own territory on offense during the remainder of the first half.

Kings Mountain gained repeatedly on their half of the field but Lackey's punting and quick-kicking kept them out of Shelby territory except for two series of downs, one as the first period ended and again in the waning moments of the battle.

The most outstanding performance of the game was Lackey's kicking, which kept the Mountaineers battling out of the hole all night. Except for a fairly short kick that bounced backwards, Lackey would have averaged over 50 yards per kick. He did punt for a 43.8 average, overshadowing White's 33.5, his best average to date.

Westminster Choir At Winthrop 18th

ROCK HILL. — The Westminster choir of 40 voices will sing at Winthrop college November 18 at 8 p. m. in the college auditorium. Enthusiastically received by the Winthrop audience at its performance here two years ago, the choir will return this year as the fourth attraction on Winthrop's current artist series.

Now in its 29th season before the public, the choir originated as a volunteer group to sing in the Westminster Presbyterian church of Dayton, Ohio.

No longer a church group, but the touring concert unit of the Westminster Choir college at Princeton, N. J., the choir retains the name it had in its affiliation with the Ohio church.

Dr. John Finley Williamson, founder and conductor of the choir, and founder and president of the choir college, will direct the Winthrop concert.

The program will feature church music, folk songs, a Mississippi spiritual chant, a traditional "death chant" from the Georgia Sea Islands, cowboy and square dance songs, and other selections.

Uncle Sam Says

Volunteers are mighty important to the U. S. Savings Bonds Program. During the fall when farmers are bringing in their harvest, an outstanding group of U. S. Savings Bonds volunteers will be traveling the country telling people about Bonds.

These volunteers are the cartoonists who draw your favorite comic strips and they will put on a show in connection with a Treasury Department sponsored art exhibit, "20,000 Years of Copy," in several American cities. They are freely giving of their time and effort to continue telling their readers that U. S. Savings Bonds are the safest and best investment in the world.
