

1952 FORD ON DISPLAY FRIDAY—Pictured above is the new 1952 Ford which will go on display at Plonk Motor Company showroom here on Friday morning, along with the 1952 Ford trucks. The new Fords feature a drastic change in body lines and a completely new six-cylinder, valve-in-head motor.

New 1952 Ford, Featuring Drastic Body Changes, On Display Friday

The new 1952 Ford passenger cars and trucks will go on display at Plonk Motor Company showroom here Friday morning at 8 o'clock. The new Ford features drastic changes in body lines, valve-in-head six-cylinder motor and increases in horsepower in both the six and eight-cylinder motor. New "Coachcraft" bodies are styled to stay beautiful and quality-built to stay young. Bodies are styled in three groups, the "Mainline," the "Customline" and the "Crestline". The new valve-in-head six-cylinder motor develops 101 horsepower and is described as the finest high-compression type of six-cylinder motor offered in current passenger cars. Its advanced design embodies free-turning overhead valves to permit high output without excessive piston displacement. The compression ratio of the world-famous Ford V-8 motor has been stepped up to 7.2 to 1 and the power has been increased to 110 horsepower. The added power gives high-compression performance with traditional Ford economy, on regular gasoline, with

der motor develops 101 horsepower and is described as the finest high-compression type of six-cylinder motor offered in current passenger cars. Its advanced design embodies free-turning overhead valves to permit high output without excessive piston displacement. The compression ratio of the world-famous Ford V-8 motor has been stepped up to 7.2 to 1 and the power has been increased to 110 horsepower. The added power gives high-compression performance with traditional Ford economy, on regular gasoline, with

Ford's exclusive "power pilot" backed by nearly 20 years experience in building V-8 engines. The new Ford also features new rear-end styling, with new modernistic rear lights, new bodyguard rear bumper and new center-fill fueling. Other styling features include new push-button door handles, new wider grille, new bodyguard front bumpers, new "Airstream" slash molding and new "Futurist" hood ornament. New full-circle visibility features a new extra-large, one-piece "Curva-Lite Safety-Vue" windshield, a new one-piece, car-wide rear window and picture window on both sides at no extra cost. New power-pivot pedals are suspended from above. Clutch and brake pedal operation is eas-

ler and there are no floorboard holes for dust, drafts and moisture to seep through. New easier steering takes the work out of steering, makes parking in tight places easy. New wider front tread permits shorter turning radius for better maneuverability. New automatic ride control is a completely integrated and balanced system of springs, shock absorbers, tires and other ride control elements. It adjusts and accurately to conditions of load and road to give a smooth, level, comfortable ride whatever the going may be. "Fordomatic" drive is featured on all new Ford models, including the six-cylinder, at extra cost. "Fordomatic" gives the best features of fluid torque converter drive and automatic mechanical gear drive plus the economy advantage of having the exact power needed. Ford overdrive is also available on all models at extra cost.

BOY SCOUT NEWS

Troop 2, Boy Scouts of America, held its weekly meeting Wednesday night, 7:00 p. m. at the Boy Scout Room of St. Matthew Lutheran church. The purpose of this meeting was to re-organize the Troop. There were fourteen candidates, one Second Class Scout and two Eagle Scouts present. Donald Blanton, Scoutmaster, opened the meeting with the Scout Oath and Laws. Patrol Leader Andreil Summitt gave a short talk on the requirements of the Tenderfoot Rank. The Scoutmaster welcomed the visitors, Mr. W. K. Mauney, Rev. Gerberding, Mr. Layton and Mr. Ormand. Mr. Mauney, representing the Brotherhood, gave the boys a general idea of how the Brotherhood is going to stand behind them 100 percent. The Scouts then played games while the Scoutmaster, and Patrol Leaders had a Green Ear meeting. Douglas Falls is the Patrol Leader of the Hynea Patrol and Andreil Summitt is Patrol Leader of the Eagle Patrol. David Mauney is the Assistant Scout Master. After the Green Ear meeting the Scouts and candidates were called to order and the meeting closed with the Indian Benediction.

Pack four of the Boyce Memorial ARP church opened its meeting Monday afternoon with the salute to the flag. New officers were elected as follows: Butchie Galloway, denner; Doug Burton, assistant denner; Noel Webster, scribe. Two cubs passed off their

"B" Teams In Split With Bessemer City

Kings Mountain high school and Bessemer City high school split a "B" team cage double-header at Central gymnasium Monday night in a pair of thrilling contests. Kings Mountain's girls won by 29-28 and the boys lost by 32-30.

Nora Jane Deese paced Coach Art Welmer's "B" sextet with 17 points and she bucketed the winning markers late in the contest. Marlene Owensby also had 17 markers for Bessemer City.

Kings Mountain trailed by seven points at the half (11-15) but closed the gap to come out on top.

Clyde Falls paced Coach Jack Sink's "B" quint with 12 points, as a desperate final period drive failed by two points of over-taking the winners. Kenny Kincaid paced Bessemer City with 11 points.

The Sinkmen overcame a big Bessemer City lead to trail by 18-22 at the half.
