

El-Bethel-Bethware News

(Mrs. Leonard Gamble)

Family Night, a regular feature of the calendar of activities of the David Baptist church, was held on Wednesday night, January 23rd.

Family Night is observed in the David church on Wednesday nights after the first and third Sundays respectively and the attendance is holding up good for this season of the year.

The Second Quarterly Conference was held Monday night at El-Bethel church. The presiding Elder, Mr. Kirby of Gastonia, presided over the conference.

Ralph Eaker is recuperating nicely at his home here after a period of illness.

The David church has recently plotted off a section of its nice church grounds for a cemetery and later, when some temporary buildings have been removed in a program of remodeling, will extend the cemetery grounds so as to provide for some two hundred graves.

Miss Peggy Harrelson has accepted a position as home economic teacher in the high school at Newland. She left Monday to assume that position. She is the daughter of Mr. and Mrs. Boyd Harrelson.

The pastor of the David church, Rev. W. L. McSwain, has been conducting a series of lectures on the Books of the Bible, beginning with Genesis. This is discontinued, however, at the present while Dr. J. Clyde Turner's new book, "The New Testament Doctrine of the Church," is used in the weekly meetings.

This is in cooperation with the Southern Baptist program. Looking forward to remodeling its present building to provide for a baptistry, inside rest rooms and better Sunday school facilities, the David Baptist church is now operating two money-raising programs in addition to the regular tithes and offerings for current expenses.

The Lord's Acre Program calls for each member to strive to develop some project such as a pig, calf, cotton patch, etc. Many of the members already have planned a project and are already developing it.

Where an individual works as an employee in industry, he may wish to cooperate, he may choose the project of giving the first hour's wage of each Monday in addition to the tithes and offerings as his project in the development program.

In the dollar-a-month program, which is not to be confused with the Lord's Acre program, members of the church and Sunday school covenant together to pay at least one dollar per month into a fund to be turned over to the church for the remodeling project. Already this club has enrolled some 65 members.

This alone would turn into the remodeling campaign some \$780 in a year's time. Rev. W. L. McSwain, the pastor of David church is carrying in the weekly bulletin of the church some interesting stories of these projects. Interest is high and the cooperation of the members is almost more than was expected at first.

Mr. and Mrs. Key Harmon, and H. W. Gamble left Tuesday to spend a week at Miami, Fla.
