Central Cagers Face Tri High Here Friday, Hickory Here On Tuesday

MOUNTAINEERS JUMP FROM CELLAR FOE TO FRONT-RUNNER

The cellar-dwelling Tri High boys and the undefeated girls of the Caroleen high school are to furnish the opposition at Central gymnasium Friday night at 7 o'clock as the Kings Mountain high school teams begin a three-game home stand.

The three games are important ones for Coach Don Parker's quint, with high-riding Hickory coming to town Tuesday night and another top loop contender, Lenoir, to furnish the opposition on February 15.

The Mountaineers suffered

their third loss in nine loop starts at Shelby Tuesday night and will be fighting to get back on the victory trail.

Kings Mountain is scheduled at Cliffside on February 19 and at Cherryville on February 22, returning to Central gymnasium for a two-game stand to finish out the card. Newton-Conover is slated to come to town on February 26, with Shelby furnishing

In recent years the Canadian nickel industry has used every day among other products, ten cars of timber, twelve tons of explosives, 2,330 feet of pipe, as well as machinery and supplies in endless variety.

Shelby Cagers Take Twin Bill

Shelby high school's basketball team dumped Kings Mountain at the Shelby Recreation Center Tuesday night, the girls winning 51 to 42 and the boys 51 to 40.

The loss was the third in Western (AA) conference play by Coach Don Parkers quint and gave the squad a loop record of six wins, three losses. Shelby ran their string to 6-2. Hickory leads with the loop, with an undefeated record.

Shelby's victory in the opener was the first in loop play for the neighboring lassies. Kings Mountain's girls have yet to win.

Four first string Kings Mountain players went out of the game via the foul route. Guard Wilma Walker before the half, Guard Rachael Jolly in the third period and Forwards Shirley Falls and Evelyn Cline early in the final chapter.

Falls paced the Kings Mountain scoring with 13 points. Gertie Jenkins had 10. Matt Sue Nix led the Shelby girls with 32 points as the winners got only one more field goal (16 to 15) than Kings Mountain but tallied 20 points on the free throw line (with 11 misses) to only 12 for the losers (with 15 misses).

Shelby's shooting from the floor was better, 16 hits and 24 misses for 40 percent, as Kings Mountain managed 15 hits and 28 misses for 34.9.

Coach Lloyd Little's boys jumped off to a first quarter lead at 14 to 8 after Kings Mountain took a quick 4-0 lead at the start. With Kings Mountain's shooting and floor work erratic, the two teams equalled their first quarter output in the second stanza (14-8) and Shelby held a big 28-16 lead at the half.

Managing only two baskets in the third period but hitting on five of six free throws, Kings Mountain cut the Shelby lead as the winners managed only three buckets and four foul shots during the period. The Mountaineers, led by Johnny Kiser (with 8) and Fred Tate (with 6), out-scored the winners in the final period 15-13 to cut the winners lead to 11 points.

Kiser's big final quarter total won him high scoring honors for Kings Mountain with 16 points. Tate added a free throw in the third period to his fourth quarter and first half effort for 14 points for second high. Jimmy Kimmel, the team leading scorer, was held to a lone field goal for the evening, that one coming in the opening seconds of the contest, but his shooting was off as he managed only the one goal in 13 shots. He did not play last Friday night at Newton.

Johnny Long was high for Shelby with 16 points, half on foul shots.

Kings Mountain averaged 22.2 percent from the floor, hitting on 14 of 63 shots while Shelby hit 18 of 60 for 30 percent accuracy. From the free throw line, Kings Mountain hit on only 12 of 22 tosses for 54.5 percent and Shelby hit on 15 of 20 for 75 percent.

FLASHY CENTER — Fred Tate, above, is a mainstay at center on the Kings Mountain high school boys' varsity basketball team. A leading playmaker and rebound man, Tate is also high up in the individual scoring department. He is a senior.

"B" Boys To Play Thursday, Friday.

Coach Jack Slink's boys' "B" basketball team is scheduled to face Arlington Junior high of Gastonia there on Thursday and Wray Junior high of Gastonia at Central gymnasium on Friday afternoon at 4 o'clock.

The Slinkens defeated Wray last week by 25-23 and another close game is in prospect.

The Central "Bees" were runner-ups in the annual Newton Lions club junior varsity tournament last week, losing to a strong Hickory "B" club by 56-54.

Kincaid On G-W Board Committee

BOILING SPRINGS—The Board of Trustees of GardnerWebb College which met on Monday, February 4, elected Carlos Young of Shelby, N. C., to fill a vacancy made when Rev. W. W. Harris of the Second Baptist Church of Shelby moved out-of-state, and Mr. Herman Beam of Fallston, N. C. was elected to fill the unexpired term of the late B. G. Beason of Boiling Springs.

The new Trustees elected to various Board committees were as follows: Rev. John W. Suttle, Shelby, Executive Committee; Rev. Roy Beals, First Baptist Church, Newton, Curriculum Committee; Dr. H. H. Stembbridge, First Baptist Church, Forest City, Chairman, Tone and Character Committee; R. E. Price, Rutherfordton, Finance Committee; C. D. Spangler, Charlotte, Finance Committee; Daltha Elliott, Boiling Springs, Public Relations Committee; Arnold Kincaid, Kings Mountain, Curriculum Committee; Carlos Young, Shelby, Public Relations Committee. Dr. H. H. Stembbridge and Daltha Elliott were also named to the Executive Committee.

GardnerWebb College has a Board of Trustees consisting of 28 members representing almost every area of North Carolina.

New North Carolina Movie Completed

RALEIGH — Completion of a new movie featuring agricultural, industrial, educational and social aspects of North Carolina was announced today by State Advertising Director Charles Parker.

The new film, entitled "The Tarheel State", is 16mm, full color and sound, 1249 feet long, and runs 35 minutes. It was produced for the State Advertising Division by the Communication Center of the University of North Carolina, which also produced the 1951 "Variety Vacationland" travelogue for the Advertising Division. This film was acclaimed as one of the best travelogues of the year, and was televised 13 times from New York to California and shown to 485 audiences in 37 states last year.

Only one print of the new film is now available, but Parker said duplicates probably would be ready for general distribution in the same manner as "Variety Vacationland" by May, and that reservations from television sta-

tions and groups would be received on a "when available" basis.

The new "Tarheel State" film begins with a winter scene in the mountains and carries the viewer through a full annual cycle that stretches more than 500 miles from the highest mountain in the eastern United States to North Carolina's 320-mile coast line reaching out into the Atlantic at Cape Hatteras.

The film accentuates the "Accessible Isolation" of the Tarheel State which has been the theme of State Advertising for the last two years—accessibility to markets, materials, labor and the attractions for better living, but isolation from vulnerable congestion.

It shows many recreational advantages available to industrial workers and farmers of the State—fishing, hunting, golf, riding, hiking, camping, surf bathing and inland water sports, and throughout it features the scenery of the Blue Ridge and Great Smokies, Mid-South resort areas, and historical coast as background.

Tobacco is shown growing and

being made into cigarettes—of which North Carolina produces more than all other states combined.

It takes its audience to the "Lost Colony" on Roanoke Island, where the first English settlement in America was attempted and whose fate is still one of history's great mysteries. It moves across Roanoke Sound to Kitty Hawk where a giant granite pylon marks the first flight by the Wright brothers from Kill Devil Hill.

It moves south along the fabulous Outer Banks to Ocracoke, which are reached only by boat or air, and goes to the Gulf Stream for big fish off Morehead City and Southport, pausing for a sun and surf session at Wrightsville Beach and a tour of new port facilities at nearby Wilmington and the camera also takes its audience cruising on peaceful inland waterways by Southport and nearby plantations.

A national weather bureau was established in 1870 under the supervision of the Army Signal Corps.
