**Series Of Bridge Parties Given In Myers Home**

Four of the loveliest and most colorful bridge parties of the season were given Wednesday by Mrs. C. F. Thomasson and Mrs. O. W. Myers at the handsome home of Mrs. Myers on Piedmont Ave. On all occasions small tables were set up in the living and dining rooms, where gorgeous arrangements of mixed seasonal flowers were featured at vantage points. Particularly striking was the dining table center piece, a large silver footed bowl filled with chrysanthemums, dahlias and fruit in an elongated arrangement. On the buffet a mass arrangement in shades of red with white grapes was very appealing.

Guests were invited to make up five tables of bridge on Wednesday afternoon. At the conclusion of the progressions the hostesses were assisted in serving a congealed salad course, with accompanying accessories followed by a dessert collation. When tallies were added prizes were awarded Mrs. Harold Hunnicutt for receiving the highest score and Mrs. W. K. Mauney, Jr. for runner up.

On Wednesday night another group of friends were entertained. Tables were appointed and upon arrival of the guests a complete salad course was served with coffee, individual garnished tarts were passed. Contract bridge was played in progressions and at the count of tallies it was revealed Mrs. Hunter Neisler had excelled and received top score prize and the runner up award was given to Mrs. Philip Padgett.

Thursday afternoon the hostesses entertained another group of friends. Again, contract bridge was played in progressions and when scores were tallied Mrs. M. H. Biser was presented high score prize and Mrs. Claude Hambricht second high.

The last party of the series was Thursday night. When all guests had assembled a party salad plate was served with coffee, and a complete dessert course passed.

Tables were rearranged for bridge and several interesting progressions ensued which left playing prizes with Mrs. James Mercer and Mrs. Tommie Trott for holding the highest scores. Estintotazro

**Road Signs Make Motoring Easier**

RALEIGH, N. C. — More than a million official highway signs make motoring easier in North Carolina. In addition to conventional mileage signs, many North Carolina markers direct travelers to vacation places such as the Blue Ridge Parkway and the Great Smoky Mountains National Park. Robert A. Burch, traffic engineer for the State Highway Commission at Raleigh, reports that in the last five years signs have been put up at the rate of about 100,000 a year.

**"WHISTLE STOP"**

IT'S a big day in town. Everybody is "down at the station" to see and hear the man who may be the next President of the United States. Carrying the campaign to the people is a custom in this country as old and as honored as America itself. For that's the way folks get to see the candidate face to face. That's the way they hear at first-hand what he has to say. That's the American way. It's good to know there will always be freedom of speech in this country, as long as a man can speak his mind, uncensored and unafraid, from the platform of a railroad car. It's good to know that democracy in America will always work, as long as you can cheer or jeer "down at the station"—and then go vote as you please.
