

Police Residence Opinion Given

It is the opinion of the attorney-general that the members of a town police department must reside within the city in which they serve, according to a letter received by City Attorney J. R. Davis.

Mr. Davis had written the attorney-general's office for an opinion after objection had been raised to his statement at the city board meeting two weeks ago that the general statutes require an officer to reside within the corporate limits. At the meeting, the board of commissioners adopted a resolution requiring all officers to live inside the city limits by November 1.

Three officers then on the police force, D. H. Street, Earl Stroupe and Gus Huffstetler, resided outside the city limits, and the board also ordered Chief H. A. Logan, Jr., to cut his force by two men in order to meet budgetary requirements. Since that time, Officers Street and Stroupe, have resigned.

Mr. Street completed his duties August 1, Mr. Stroupe on August 15. Chief Logan said Wednesday that Mr. Huffstetler is making arrangements to move inside the city limits.

The letter to Mr. Davis from T. W. Bruton, assistant attorney-general, read: "In reply to your letter of the 7th of August, 1953, you are advised that this office has rendered numerous opinions to the effect that the chief of police and other policemen of a town are required to be residents of the town in which they serve in such capacity."

Little League Feed August 28

Annual Little League banquet will be held Friday, August 28, according to announcement by Red Layton, loop commissioner, who said that the time and place will be announced later.

Trophies and awards will be presented at the affair, to which Mr. Layton has urged parents of players and other persons interested in Little League baseball to attend.

The Phenix Plant, Burlington Mills, Inc., team will be presented the President's Cup as league champion for 1953. The cup is to be donated by K. E. (Red) Mor-

Girls Softball Features Tiger Game Thursday

Kings Mountain Tigers meet Shelby's Elk Raiders here at City Stadium Thursday night, with a girls softball contest a pre-game attraction.

The Kings Mountain Community Club team is scheduled to face the Bessemer City Dodgerettes at 7 p. m. in the curtain-raiser. Hopey Wilson is slated to pitch for the Kings Mountain girls.

William Orr, manager of the Negro semi-professional club, said the game will probably be the last of the season for the Tigers.

Shelby defeated the Tigers 9 to 5 at Shelby on last Thursday night, with Miles Brown losing his first game of the season to the cross-county rivals.

Shelby shutout the Tigers with two hits until the sixth when the Kings Mountain team rallied to score two runs. The Tigers pushed across two more in the eighth but couldn't catch up.

Sportsmanship awards will be donated to a player on each team by C. E. Warlick, Chief H. A. Logan, Jr., Dr. P. E. Hendricks and Commissioner Layton.

Mr. Layton said that the league will give awards to members of the all-star team and will present certificates to all players who performed in the league this summer.

Parents and others desiring to attend the banquet may contact Mr. Layton for reservations.

School Board Met Monday

Regular monthly meeting of the Kings Mountain district board of school trustees was held Monday night at Central school.

Mrs. Helen H. Collins, of Shelby, was elected to the schools faculty, Superintendent B. N. Barnes reported. Mrs. Collins will teach the fifth grade at West Elementary school, he said.

Mr. Barnes also reported three vacancies in the faculty, a Bible teacher and two piano teachers.

The board officially set school opening at 8:30 a. m. Tuesday, September 1 and teachers meetings for 10:30 a. m. August 31 at Central and Davidson schools.

The board authorized continuance of school child insurance with Pilot Life Insurance Company and also voted to purchase insurance for the football teams

from the same firm. School children may secure coverage under the group plan upon payment of the annual premium of \$1.25. Mr. Barnes announced an increase of 25 cents over the rate last year.

Main item of business at the meeting concerned study of plans for construction projects at West and East Elementary schools.

The board authorized repair work on the boys shower room in the gymnasium.
