MRS. CHARLES WILLIS MULLINAX

Miss Treva Gray Ponder Bride Of  
Charles W. Mullinax In Church Rites

The Bethany Baptist church of Grover was the setting for a lovely and impressive ceremony Sunday, August 23rd at 4 o'clock in the afternoon, when Miss Treva Gray Ponder, daughter of Mr. and Mrs. Robert Hoyle Ponder of Grover became the bride of Charles Willis Mullinax, son of Mr. C. A. Mullinax, Jr. of Grover and Mrs. Mullinax of Shelby.

The Rev. Kenneth Hollifield, pastor of the church, was the officiating minister and performed the double ring ceremony.

Forming an effective background for the couple was a white arch grouped around three levels of stately palms, highlighted by a floor basket holding yellow glads and chrysanthemums tied with a huge emerald bow. A soft glow of candlelight was cast over the setting from the lighted green tapers held in floor candelabras placed on either side of the arch extending toward the center.

Prior to and during the ceremony a program of nuptial music was presented by Mrs. Gilmer Byers, pianist, and Ed Hamrick, vocal soloist.

The bride, given in marriage by her father, wore a waltz length gown of Chantilly lace and net over satin, featuring a tight fitted bodice with bouffant shirt. Her veil was attached to a starched lace cap outlined with seed pearls. Her only ornament was a strand of pearls, gift of the groom and she carried a prayer book with an orchid and tube roses showered with streamers.

Bridal Attendants

Mrs. Ralph D. Goforth, sister of the bride, was matron of honor. Bridesmaids included Mrs. Carl Reynolds of Gaffney, S. C., also a sister of the bride, Miss Pauline Guffey of Shelby, Miss Sara Faye Dixon of Kings Mountain, Miss Mary Reed Norman of Grover. The attendants wore made alike dresses with matching mitts, headpieces, and shoes. They carried floral baskets of yellow pompoms and wore tinted pearl earrings and necklaces, gift of the bride.

Miss Linda Ponder, the bride's sister, and Miss Carole Mullinax, sister of the groom, were junior bridesmaids. They had selected light yellow ankle length dresses with matching accessories.

Charles A. Mullinax, Jr. was his son's best man.

Usher - groomsmen included Jerry Cooke of Grover, Joe Mullinax, brother of the bride, Hayes Ledford, and Carl Reynolds, both of Gaffney, S. C.

Little Susan Mullinax was flower girl and Roddy Ledford, the bride's nephew, was ring bearer. Mrs. Ponder had chosen for her daughter's wedding a rose

taffeta dress with gray lace overskirt. She wore rose and gray accessories and an orchid corsage was pinned at her shoulder.

Mrs. Mullinax, mother of the groom, wore a dawn blue taffeta dress, rhinestone trimmed, black velvet accessories, and an orchid corsage.

Bride And Bridegroom

Mrs. Mullinax is a graduate of Grover high school and is employed by Minette Mills of Grover. Mr. Mullinax is a 1952 graduate of Grover high school and is employed by Foote Mineral Company of Kings Mountain.

Police Reported  
Accidents Here

Kings Mountain police officers reported four accidents occurring in this area Sunday and Monday of this week.

Frieda Cobb, 3-year-old daughter of Mr. and Mrs. Charles Cobb, ran out in front of an automobile operated by Baxter Wright Thursday afternoon. Policemen said she fell under the vehicle after it had stopped. She received slight toe injuries.

Two cars were traveling east on Highway 74 Sunday. Felton Martin, police said, was attempting a left turn and Fred L. Cabness, of Shelby, was passing. Neither of the cars were damaged, they reported.

Horace C. Terry of Gastonia was going south on Phenix street Sunday about 5:45 p. m. A motorcyclist was headed east on Phenix. The two collided, officers said. A car driven by James Smith,

Healthy, well cared for nails complete the beauty of a lady's hands, and to attain this beauty they, too, should receive daily care. If the nails are brittle, rub olive oil, cuticle oil, or any oily cream gently into the nails every night. Acquire the habit of pushing back the cuticle gently with the towel every time the hands are dried. Scrupulously clean under the nails several times daily.

Give upholstered furniture a good sun bath at least twice a year. If it is thoroughly brushed and given sun baths you will have very little trouble with moth.

And, it is just as important to dust upholstered furniture as it is to dust your clothes. Dust wears out the fabric when it is permitted to remain in it. A good clothes brush, light-weight whisk broom, or vacuum cleaner should be used weekly on upholstered furniture.

Window cleaning may be well done by using paper instead of a cloth. It's economical too. Choose soft paper that does not lint. Should one prefer a cloth, choose a clean one free from lint. Chamois is a good cleaner but expensive and requires good care if kept soft.

Various cleaning mixtures may be used: clear water with a little dissolved washing soda — about One tablespoon to a pail of water. On a very cold day the cloth may be moistened with alcohol or good kerosene — the latter is a

very efficient cleaner and is not expensive. Whiting or some prepared cleaning paste may be used on windows — the idea is to let these dry and then wipe off the powder which takes off the grease film leaving the windows bright and clear.
