Two Are Hostesses Feting Mrs. Frank Hoyle, Jr.

Mrs. Harry Page and Miss Helen Hay were delightful hostesses Wednesday night, entertaining the Tuesday Night Bridge Club at the home of Mrs. Page at Lake Montona.

The lovely affair was planned as a compliment to Mrs. Frank Hoyle, a member of the club who is leaving soon to make her home in Hendersonville. Three former members, Mrs. W. B. Thompson, of Concord, Mrs. T. W. Ferguson of Atlanta, Ga., and Mrs. J. C. Williams, of Bessemer City, were present to enjoy the gracious hospitality.

At refreshment time a chicken salad course with accessories was served.

At the comparison of tallies it was revealed Mrs. Robert Miller had been the most successful player and was presented a prize. Low score went to Mrs. E. A. Smith. The honoree was remembered with a gift from the hostesses.

Mr. and Mrs. Jack Mauney and Mrs. Thad, of Madison, Wisconsin are spending two weeks with their parents, Mr. and Mrs. W. W. Tolleson and Mr. and Mrs. Paul Mauney.

Miss Tanner Bride Of Cecil Looney, Jr.

Miss Barbara Tanner of Cleveland, Tenn., became the bride of Cecil Looney, Jr., of Aiken, S. C., and Kings Mountain at a marriage service solemnized at high noon on Sunday, August 16, at the North Cleveland Church of God. The Rev. J. Frank Spivey read the marriage rites.

A program of wedding music was presented by Flavius McLain and Miss Norma Sue McLain, vocalists, and Miss Wanda Carey, organist, prior to the ceremony.

Given in marriage by her father, the bride wore a wedding gown of imported ice blue lace over taffeta, designed with basque bodice, Queen Anne collar and rows of buttons down the front. The long lace sleeves ended in points over her wrists and she wore a veil of silk illusion which was draped from a halo of illusion appliqued with petals of lace and embroidered with rhinestones. She carried a cascade bouquet of white orchids and tuberoses.

Attendants
Miss Clarice Moseley served as the bride's maid of honor and only attendant. She wore a gown of pink nylon net and taffeta designed with close-fitting bodice, sweet heart neckline and short sleeves. The bouffant skirt of net was ballerina length and she carried a cascade bouquet of asters in pastel shades and wore matching flowers in her hair.

Kenneth Ray Looney of Kings Mountain served as his brother's best man and ushers were William D. Johnson, Jr., and Doyle Fowler, both of Cleveland.

For a wedding trip to Gatlinburg and the Great Smoky Mountain National Park the bride wore a navy suit with navy and white accessories with a white orchid taken from her bridal bouquet pinned at her shoulder.

The new Mrs. Looney is the daughter of Mr. and Mrs. Hoyt Samuel Tanner of Blackville, S. C., and received her education in the Blackville schools and Lee College in Cleveland.

Mr. Looney is the son of Mr. and Mrs. Cecil Looney of Kings Mountain and was educated in the Kings Mountain schools and at Lee College in Cleveland. He is employed with the H-bomb plant in Aiken, S. C.

Ace Of Clubs Met With Mrs. Amos Dean

On Thursday afternoon of last week Mrs. Amos Dean was hostess to members of the Ace of Clubs and several additional guests at her home on Piedmont Ave.

Artistic arrangements of brightly hued zinnias, roses and delphinium were used for a party atmosphere in the home.

Several tables were put up for an afternoon of bridge and after several progressions, cards were laid aside and tallies were added. The high score awards were presented Mrs. J. M. Cooper and Mrs. C. D. Blanton. Mrs. Howard Fulton of Reynolds, Ga., guest of Mrs. Fred Plork was also remembered with a gift.

During the progressions, covers were laid and Mrs. Dean was assisted in serving a salad and sweet course with an iced drink.

BRITISH SCOUT GUIDES SEE DRAMA—Two British Scout guides, Mary Nichol, left and Rosemary White, right, were interviewed by Nicky Smith recently on the regular Saturday feature, of Radio Station WKMT "Spotlight on Scouting," after they had seen the drama "The Sword of Gideon". The visitors said they enjoyed "Sword of Gideon" and discussed phases of Scouting.

Pre-Nuptial Courtesy Extended Miss Edith Cox

Miss Edith Cox of Gastonia, whose marriage to Emmett White, will take place on August 29, was feted at a party given by Mrs. J. R. Davis and Mrs. Jack White at the home of Mrs. Davis Wednesday afternoon.

Striking decorations of pink and white were used throughout the spacious home. Small tables were placed for bridge, when guests arrived, they were served a lovely party plate further carrying out the pink and white color note. Each table was centered with a silver candle holder with pink taper and epergne of white blossoms.

Tables were rearranged for bridge and interesting progressions ensued which left playing prizes with Miss Jo Nallie and Miss Billie Jo Brooks. The honorees gift from the hostesses was a box of assorted large bath towels.

Mrs. Bill Briggs Honored With A Coca Cola Party

Mrs. Paul Briggs entertained with a prettily planned Coca Cola party at her home on West Gold street Wednesday afternoon honoring her daughter-in-law, Mrs. Bill Briggs, who was the former Miss Joyce Marie Jenkins of Gastonia.

The attractive home was adorned with quantities of late summer flowers, white petunias, tuberoses, zinnias in soft pastel shades, and pink roses, predominating in lovely arrangements.

As the guests arrived they were greeted by Mrs. B. S. Neill and Mrs. Paul McGinnis on the patio. Mrs. Ben F. Beam introduced them to the receiving line composed of Mesdames Paul Briggs, the honoree, Mrs. Bill Briggs, her mother, Mrs. O. Raymond Jenkins of Gastonia, and Mrs. Sellers of Cherryville. A setting of festivity was formed by utilizing late summer flowers throughout the home and porches.

Mrs. W. L. McMackin directed guests to the dining room, where the center point of attraction was placed on the refreshment table overlaid with a lace cover and

centered with a silver bowl filled with white flowers complemented on either side with matching candelabras holding green tapers. Silver trays placed decoratively on the table were filled with dainty sandwiches and fancy cookies and salted nuts were served from compotes.

Mrs. Hubert Davidson and Miss Anita McGinnis served in the dining room. Miss Dolores Davidson served Coca Colas from a very pretty white wheel barrow on the lawn. From the dining room, callers were directed to the den where Mrs. James Littlejohn presided at the guest's register placed on a desk bedecked with mixed flowers.

Miss Lyvonne Lindsay and Miss Mary Ann Beam said the good byes to the guests who called to share the gracious hospitality.

Stops the greatest cause of power loss...

It's the Greatest

Gasoline Development in 31 Years

TCP,* a Shell discovered additive now blended into Shell Premium Gasoline, increases power up to 15%, spark plug life up to 150%... gives extra mileage, too. Stops spark plug misfiring and pre-ignition caused by combustion deposits.

YES, IT'S TRUE! Thanks to TCP additive, first developed for aviation by Shell Research, the average motorist can now obtain up to 15% more power from his engine, 150% more life from his spark plugs and an increase in gasoline mileage as well.

Shell Premium with TCP additive is the greatest advance in motor fuels since the introduction of tetraethyl lead in 1922 and it works like this:

The natural by-products of gasoline combustion accumulate on spark plugs and in combustion chambers. As these combustion deposits build up, they do two kinds of harm. First, they short-circuit spark plugs—causing misfiring. Second, because they get red hot in the combustion chambers, they often cause the fuel-air mixture to ignite prematurely—this is called pre-ignition. The combined effect of short-circuited spark plugs plus pre-ignition is lost power and wasted gasoline.

This loss of power is especially noticeable when accelerating, hill climbing, or cruising on the open highway.

Shell Premium with TCP additive, however, has the unique property of counteracting these deposits, thus putting a halt to the biggest cause of power loss in the majority of cars on the road today!

New and old engines benefit

If you have a new car, particularly one with a high-compression engine, Shell Premium with TCP additive is essential if you want it to deliver its original power for the normal life of the spark plugs. But, high-compression or not, Shell Premium with TCP keeps your engine working like new.

Owners of older cars also benefit. Even if your car has gone 30,000 miles or more, your engine can get back much of its original power by the use of Shell Premium with TCP additive.

Shell Premium with TCP acts fast

So rapidly does Shell Premium with TCP additive counteract the deposits on spark plugs and in combustion chambers, you'll feel that increase in power by the time you've finished the second tankful, and as long as you continue to use it. It's like your engine's had a tune-up.

Available only at your Shell Dealer's

TCP is Shell's trademark for the remarkable additive now available in Shell Premium Gasoline. Originally developed by Shell Research for aviation fuels, until now it has been largely restricted to military aircraft.

Now at all Shell Dealer Stations.

SHELL PREMIUM GASOLINE
The Most Powerful Gasoline Your Car Can Use

Far more miles per gallon on the trips YOU take!

On long trips, short trips, all trips, you get far greater gas mileage out of a '53 Chevrolet. It offers important savings in everyday driving over everyday roads!

Out to the golf course. Off for a week-end of fishing. Half across the country on a full-scale vacation. Wherever you go—however you drive—you're going to get there on a lot less gasoline in a fine new Chevrolet.

The truth is, this year's Chevrolet owners are enjoying the most important gain in economy in Chevrolet history. Plus more power. Faster acceleration. More "steam" for the steep hills.

That's the beauty of Chevrolet's two great high-compression engines—the new 115-h.p. "Blue-Flame" engine in Powerglide* models, and the advanced 108-h.p. "Thrifty-King" engine in gearshift models. They squeeze much more out of regular gasoline—more miles, more pleasure.

Along with this greater gas mileage, you get lower over-all upkeep costs. And Chevrolet is the lowest-priced line in its field. Drop in and let us show you how you'll be better off in every way with a 1953 Chevrolet!

*Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.
