**Kings Mountain Keglers Off To Fast Start In Matches At Shelby Center**

**MORE ABOUT Man Killed**  
Continued From Page One

First games of the new season for teams in the Kings Mountain Bowling League were reeled off at the Shelby Community Center alleys on Monday night according to Furman Wilson, loop secretary.

Tom Gamble is president and Bill Jonas treasurer of the loop which was reorganized recently for the new season.

Mr. Gamble's team captured the championship in 1952-53.

The teams were selected by the four bowlers with the highest season average last year. The four, also named team captains, are Ralph Arrowwood, "Alley Cats"; Jack Clark, "Mountaineers"; Albert Brackett, "Independents"; and Furman Wilson, "Luckies".

The league schedule calls for 30 duck pin games, which will be rolled at the Center alleys on Monday nights each week. Interested citizens are invited to witness the two weekly matches, Mr. Wilson said.

In Monday night's games, Ed Earley paced the "Mountaineers" with a high set of 301 as his team defeated the "Alley Cats" 1407-1388, Boyd Howell of the losers had 106 for high line in the match.

M. H. Biser paced the "Luckies" to a 1448-1380 victory over the "Independents". Biser had 117 for high line and 312 for high set.

**Little League Awards Given**

Although one American in every six lived on farms last year, the net income from agriculture was only 7 per cent of the total national income.

The "President's Cup" donated by Loop President K. E. (Red) Morrison was presented to Phenix Plant, Burlington Mills, Inc. Little League team at the annual awards banquet at the Woman's club last Friday night.

The Phenix team won the championship in Little League play this summer.

Most outstanding player awards were presented to Don Tignor, Phenix; Freddy Hambrick, Kiwanis; Jerry (Mo) Wright, Park-Grace; and Don Gladden, Jaycees.

Sportsmanship awards were presented to Jerry Morris, Park-Grace; Johnny Hardin, Kiwanis; Jerry Black, Jaycees; and Jerry Hollifield, Phenix.

Little League pins were presented to the following additional members of the loop all-star team: Mike McKee, Don Parker, Junior Whetstone and Mike B. Ware, Jaycees; Bob Smith, Banks Guyton, Jerry Jones and Bobby Biddix, Park-Grace; David Plonk, Richard McDaniel and Paul Hendricks, Kiwanis; and Dean Burton, Jerry Wright, Johnny Carpenter and Bud Connor, Phenix.

Miss Sue Sanders, "Miss Kings Mountain Little League", was presented a loving cup as runner-up for the "Miss Little League" award at the Gastonia district tournament.

Some 75 players, parents, coaches and league officials were present at the banquet, with the dinner served by ladies of Bess Hoey Memorial Methodist church.

**Bethany ARP Revival To Start**

Revival services at Bethany Associate Reformed Presbyterian church, near Clover, will begin Sabbath night and will continue throughout the week, including Saturday night, September 12. The hour for each service is 7:45.

Rev. Jack Heinsohn, pastor of Smyrna and Hickory Grove ARP churches will conduct the Bethany meeting. Mr. Heinsohn has preached in a number of revivals. A 1953 graduate of Erskine seminary, he spent all of his early life with a circus as a trapeze performer; he accepted Christ and joined the church while he was a student at Erskine College. Rev. George Lauderdale, Bethany pastor said.

Prayer services have been held in different homes of the Bethany congregation for two and one half-weeks prior to the opening of the meeting, and special prayer services at the church for the

not require a full eight hours but it is proposed that the deficiency be augmented by parcel post delivery. In other words, after the extensions are approved, you will have three full time routes and an auxiliary parcel post route running between 4 1/2 and 5 1/2 hours a day.

"As discussed with you, most of the streets surveyed have not been provided with street signs or numbers. In an interview with the mayor of Kings Mountain, we were advised that the street signs and numbers would be provided as promptly as possible. It will be recommended that the extensions to the city delivery service be contingent upon the erection of suitable street signs and the provision of house numbers for every house served."

"You are familiar with the proposed revisions of Rural Routes 1 and 3 incident to the extension of city delivery service in the cotton mill areas. It will be appreciated if you will advise in writing as to whether you are in agreement with my proposed recommendations. Your letter will accompany my report to the Post Office Department."
