KINGS MOUNTAIN SHARED IN THIS PARTY

One of the larger Christmas parties conducted anywhere was held in Korea on Christmas day when American soldiers played Santa Claus for many hungry Korean children. Shown above is a picture taken at the party given by the 32nd Engineer Construction Group.

Lt. Frank Summers, of Kings Mountain, was in charge of the mammoth party and a portion of his gift-bag requirements were met by Kings Mountain merchants and citizens who supplied gifts of clothing and money to aid the Korean youngsters.

Kings Mountain Citizens Thanked For Helping Stake Christmas Party

A number of Kings Mountain citizens have received letters of appreciation from Korea during the past few days for their aid in a mammoth Christmas party given by the 32nd Engineer Construction Group.

Lt. Frank Summers, of Kings Mountain, son of Mr. and Mrs. F. R. Summers, was in charge of the program and was credited with doing "a fine job," according to a letter received by his father from the 32nd commanding officer, Col. R. J. B. Page.

Nine large boxes of clothing went to Korea as the gift of three Kings Mountain department stores, Bell's, Myers, and Plonk's, and individuals supplying gifts for the party were Miss Jette Plonk, Mrs. J. E. Herndon, Mrs. Glee E. Bridges, Mrs. Aubrey Mauney, and Mrs. F. R. Summers.

The letter from Col. Page read: "The officers and men of the 32nd Engineer Construction Group wish to express their sincere appreciation for your generosity in aiding our Christmas Program. With your help and the help of others like you in the United States we were able to make our Program a great success."

"Enclosed you will find a photograph taken at one of the Christmas parties for the Korean children. This picture shows just one party entertaining 150 children. The 32nd Engineer Construction Group sponsored several parties for the benefit of over one thousand children. "We, the members of the 32d Group, thank you for making

ours a happier Christmas, by enabling us to help those less fortunate than ourselves. The smiles, laughter, and happiness of many children are their thanks for your gracious donation. "All members of this command join me in sending best wishes to you for a happy and prosperous New Year."

Stowe Develops TV Clarifier

L. P. Stowe, Kings Mountain radio and television repairman, announced this week application for patent on a television clarifier.

Mr. Stowe said that his unique clarifier, a combination wave trap and impedance matching device, will in most cases remove about 90 percent of the herringbone pattern from Channel 4 (Greenville, S. C.) which is caused by sound interference from WBTV Charlotte.

He reported that he began development of the clarifier many years ago while a "ham" radio operator. The device was needed then, he said, to remove interference by the high frequency "ham" stations with regular broadcast reception. Mr. Stowe reported that he has installed several of the clarifiers, one in Shelby, and that the devices are doing the job they are designed to perform. "Necessary legal steps have been taken to patent the device and to protect manufacturers rights," Mr. Stowe said.

Church

FIRST PRESBYTERIAN CHURCH
Sunday: Sunday School 9:45 a. m. Morning Worship 11:30 a. m. Mr. Shaw Smith will bring the message.

"Ghost Train" Cast Announced

Cast of "The Ghost Train," second production of the Kings Mountain Little Theatre, is announced this week by R. G. Plonk, Jr., who is directing the mystery drama.

Cast of the play in order of their appearance are: Meek Carpenter, "Richard Winthrop"; Mrs. Charles A. McCarter, "Elsie Winthrop"; Dr. R. N. Baker, "Saul Hodgkin"; Ed Smith, "Charles Murdock"; Susan Moss, "Peggy Murdock"; Mrs. Aubrey Mauney, "Miss Bourne"; Franklin Pethel, "Teddy Deakin"; Jean Cash, "Julia Price"; Dr. P. G.

Speed Endorses Driver Education

"Education of drivers is more important in preventing highway accidents than enforcement of motor vehicle laws", Major C. A. Speed, of Raleigh, safety director of the state highway patrol, told members of the Blue Ridge Safety Council, assembled in regular quarterly meeting at the Woman's club Tuesday night.

Attending the meeting, sponsored by Neisler Mills, Inc., were 223 persons.

Major Speed listed as the three major causes of highway accidents in the state speed, intoxication and inattention of drivers. He pointed out that over 1,100 persons met death on the state's highways last year and that 50 percent of fatal accidents involved only one car and occurred on dry roads in daylight hours.

"Highway deaths on the nation's roads have now exceeded the number of soldiers killed in action while fighting in all the wars of the United States," he reported. The millionth highway fatality was recorded in 1951, 50 years after the first recorded highway fatality in 1890. The millionth soldier was killed in Korea in 1951, he said.

"We must reduce this appalling death toll," Mr. Speed emphasized.

Rev. P. L. Shore, Jr., pastor of Central Methodist church, offered the invocation, and James E. Castle, of Fote Mineral Co., gave the welcoming address.

Mayor Glee A. Bridges introduced the speaker. Jack Dover, of Shelby, was elected president of the organization for the year with L. B. McAbee, of Gastonia, elected vice-president, and Fred Swann of Columbus, secretary-treasurer.

Directors named at Tuesday's meeting were: W. S. Fowler, Drexel Furniture Co., Morganton, Luther Cansler, Neisler Mills, Kings Mountain; W. G. Hardin, Rex Mills, Gastonia; Sam King, Padgett, "Herbert Price"; Tom Izard, "John Sterling" and "Knot" Kaschet, "Jackson."

Plot of the play centers around the plight of a group of people trapped for the night in a haunted railroad depot, Ed Smith, chairman in charge of publicity for the play, said Wednesday. While the play is basically a mystery drama, he continued, it also contains a generous portion of comedy material.

Date of the play has been set for sometime in February.

World production of dried milk was up 20 per cent in 1953 over a year earlier.

Duplan Corporation, Lincolnton; Harry L. Parker, Marion Manufacturing Co., Marion; James B. Pruitt, Southern Mercerize Co., Tryon; M. G. Allen, Alexander Mills, Forest City, and Jack Dover, Dover Mills, Shelby.

Felix A. Scroggs, safety representative of the North Carolina Industrial Commission, was recognized, and C. V. Elrod, of Osage Mills, Bessemer City, conducted the business session and elections.

At the meeting were safety officials from Cleveland, Gaston, Lincoln, Rutherford, Polk, McDowell, and Burke counties.

Attention All Car Owners

It is true that automobile liability insurance premiums in N. C. are not the same with all companies.

Safe drivers can save as much as 25% on their insurance premiums with Farm Bureau Mutual Automobile Insurance Company.

FOR EXAMPLE: Farm Bureau policyholders who drive their cars to and from work a distance of less than 10 miles one-way, and have no drivers under 25 years of age. (Class 1 B) are now paying only—

TERRITORY 3—\$11.30 Each Six Months

FOR \$5,000/\$10,000 BODILY INJURY LIABILITY AND \$5,000 PROPERTY DAMAGE (MORE COVERAGE THAN NECESSARY TO MEET THE REQUIREMENTS OF THE SAFETY RESPONSIBILITY LAW.)

You may also get \$10,000/\$20,000 Bodily Injury Liability and \$5,000 Property Damage for \$12.55 each six months if you are a policyholder of Farm Bureau. If not you pay only \$5.00 additional for your membership one time on each car. You may get Medical Payments for you and persons riding with you for a small additional premium.

\$ 500 for each person.....	\$1.50	Be safe, insure those persons riding
\$1000 for each person.....	\$2.25	with you. Its too cheap to take the
\$2000 for each person.....	\$2.60	risk.
(FOR EACH SIX MONTHS)		

Farmers with no drivers under 25 may be insured for as low as \$8.25 for each six months with the same coverage.

BUY FROM THE COMPANY THAT INSURES MORE CARS IN THIS STATE THAN ANY OTHER COMPANY.

Polices are issued on the spot. You don't have to wait two or three weeks to get your policy.

We have a convenient payment plan.
