

England Dancing In Porter Show

CHAPEL HILL — The Carolina Playmakers will present the popular musical-comedy "Kiss Me, Kate", one of the first non-professional presentations of the hilarious Cole Porter musical. The comedy concerns a group of Shakespearean actors producing "Taming of the Shrew," and their on-stage battles and romances coincide with their back-stage difficulties. "Kiss Me, Kate" will be presented March 5th and 6th at Memorial Hall in Chapel Hill, and is being directed by Samuel Selten, chairman of the Department of Dramatic Art.

One of the principal dancers in "Kiss Me, Kate" is Hal England, son of W. F. England, 200 Fulton street, Kings Mountain. England appeared in several leading roles while in high school, and while with The Carolina Playmakers has appeared in "Darkness at Noon," "Winterset," "The Tempest," and "Princess Ida." He is in his junior year as a dramatic art major and intends to work with The Playmakers while studying for his master's degree. England has been associated with The Lost Colony, summer theatre.

Grantham Named To Dealer Group

W. G. Grantham, general manager of Victory Chevrolet Company, has just returned from Charlotte where he took part in a meeting of the Chevrolet Dealer Planning committee for this zone.

Mr. Grantham was elected to the committee by fellow dealers under a nationwide program which Chevrolet keeps in touch with retail selling problems. In his position he acted as spokesman for other Chevrolet dealers in this area.

The dealer committee system was pioneered in 1937 by Chevrolet and has since been widely used in the automotive and other merchandising fields. The program serves as another means by which dealers and the company exchange views on industry developments and discuss mutual problems.

Under the system, the more than 7,600 dealers in the company's 43 zones and branches first elect 20 committeemen for each area, or a total of 860. Zone committeemen meet and select representatives to serve on the eight regional committees. These 86 regional committeemen then name 16 dealers from their group — two from each region — to meet with Chevrolet officials in Detroit as the National Dealer Planning Committee.

Miller Seeking \$25,000 Damages

A civil suit for \$25,000 naming J. N. Dixon, of 305 Tenth street, Bessemer City, as defendant, was filed in Cleveland County Superior Court February 11 by Lee Roy Miller, of Walker street, Kings Mountain.

The suit was filed as result of damages and injuries allegedly sustained by the plaintiff in an automobile accident November 15, 1953.

Miller alleges in his complaint that he was driving south on Gaston street on the night of November 19, 1953, at the intersection of Gaston and East King streets when his car was struck on the right side when the defendant failed to stop his car for a red light.

Miller further complains he was taken to Kings Mountain hospital for treatment of face lacerations and bodily injuries. The plaintiff also alleges he suffered partial facial paralysis as a result. The face lacerations required 65 to 75 stitches, he says, and further contends that treatment of his injuries cost him approximately \$750.

Miller is represented by George Thomasson and John Mahoney.

J. N. Dixon, the defendant, was tried in recorder's court here December 23, 1953, on charges of reckless driving and failing to stop at a stop sign. He was convicted for reckless driving and given a four-months sentence, suspended on conditions that he pay a fine of \$25 and the costs of court. On the count of failing to stop at a stop sign, probable cause was not found by Judge Jack White, and this charge was dismissed. Later Dixon appealed his sentence to Superior Court.
