

Melton Facing Morals Charge

J. W. Melton was bound over to Superior court Tuesday morning on the charge of crime against nature after probable cause was found by Judge Jack White in City Recorder's court. Bond for Melton was set at \$1,500.

On a second count, assault on a female, Judge White found Melton guilty and sentenced him to 60 days on the roads. Melton appealed this sentence to Superior court, and bond was set at \$500. Melton had not made bond Wednesday morning.

No Arrests Made For Break-In

No arrests have been made in the break-in at Victory Chevrolet company, according to Chief Hugh Logan. The police department has several leads, Chief Logan said, and hope to make an arrest soon.

Police reported Victory Chevrolet company was entered some time Thursday morning after 4 a. m., entry being gained through a skylight on the roof. A case of Prestone, motor oil, and tools valued at several hundred dollars were missing. The burglars left through a back exit.

Chief Logan stated that the approximate timing of the break-in was due to the fact that Officers P. A. Hawkins and B. P. Cooke checked the premises around 4 a. m., finding everything in order at that time.

MEN WANTED TO GUARD OUR LIVES ... AND HOMES!

Young men, you are urgently needed to help protect our national security!

The Guard protects lives and property in local disaster... It provides trained units to join our regular forces in time of national emergency. The security of our nation demands a fully-manned National Guard.

The need is so great that men who volunteer to serve their country by enlisting in the National Guard between the ages of 17-18½ will be deferred from active military duty so long as they continue to serve satisfactorily—unless, of course, their Guard unit is called in time of national emergency.

You'll have the satisfaction of serving your country and community as a citizen-soldier. And you can enlist in the unit of your choice. What's more, you'll benefit from the many advantages and opportunities open to you as a member of your hometown National Guard unit.

TOP TRAINING started near home while still in school or business. Useful military skills learned from experienced veterans.

EXTRA INCOME from the time spent in training. Qualify for valuable retirement pay.

SPORTS AND RECREATION FACILITIES are available in National Guard installations to Guardsmen, their families and their friends.

EDUCATIONAL OPPORTUNITIES qualify you for better paying civilian jobs. Attend regular Army schools with pay or take correspondence courses.

ADVANCEMENT AND PROMOTION as high as your interest, ability, and experience will take you. You may qualify for an officer's commission or an appointment to West Point.

LEADERSHIP TRAINING prepares you to give orders and direct others. Develop those qualities that make you a better man and a leader in your community.
