

The School's In Focus

Friday, February 12, the first grade pupils of Mrs. Warlick went to the fire station. They were accompanied by Mrs. Calvert, a room mother.

The girls are studying the community and several problems arose about how the firemen live and what their job includes.

The children got to see the trucks, ladders, hoses, and nozzles used in fire fighting. Then they were allowed to try on the firemen's helmets. The most thrilling part of the trip was when the children got to slide down the brass pole.

Police Chief Logan invited the children in to look at the jail and talk on the police radio. All the children became Jr. Policemen.

The children enjoyed it very much and learned a great deal.

Chinchillas
On Thursday, February 4, 1954, Mr. Harold Hunnicutt, a local chinchilla breeder, brought one of his chinchillas to the fifth period biology class. He told us of the chinchillas' diet, how they bathed, and gave a brief history of the chinchilla.

Mr. Hunnicutt told us the story of Mr. Reginald Chapman, an American engineer in South America, who quit his job in order to hunt for chinchillas that were considered to be extinct. He hunted with a group of native Indians who took him into the high Andes in search of the chinchillas. Mr.

GI Bill Helped Build Up Nation In World War II

Deadline for Veteran training under the Korean GI Bill has been announced by Jack C. Winchester, District Officer for the North Carolina Veterans Commission. He said:

"August 20, 1954 is the deadline for entrance into schools or training for all veterans of the Korean Conflict who were discharged or separated from service on or prior to August 20, 1952, except for those veterans with serious connected disabilities who may qualify for training under the disabled law. The Korean conflict GI training is granted to veterans who served 90 days or more anytime from June 27, 1950 to a date not yet set by Congress, and who were given discharge or separation other than dishonorable.

Veterans who were discharged or separated after August 20, 1952, as stated above, have up to two years after date of discharge within which to start training under the Korean GI Bill.

The veteran must actually be enrolled in school or training under the Korean GI Bill on or prior to the date of his deadline.

Veterans, planning to attend school, whose deadline is August 20, 1954, and those whose deadline comes prior to the opening of school this fall should plan to enter this Spring term or Summer school in order to be eligible for further schooling."

Police Report Two Accidents

Two automobile accidents were reported by the police department February 17.

On February 11, a 1951 Dodge two-door car driven by Lindwood Parton, 418 Harvey ave., Gastonia, was involved in an accident with a 1951 Buick four-door sedan driven by Mrs. George W. Mauney. Mr. Parton, parked on Mountain street, opened the left door which was struck by Mrs. Mauney's vehicle as she attempted to pass. Damages to both cars were estimated to be \$200.

On Feb. 16, a Ford two-door car driven by Billy Dean Putnam, route 1, was making a left turn off Cleveland avenue onto Broad street, and skidded off the road into a telephone post. Damage to the Ford was estimated to be \$150. Officer R. R. Carrigan investigated the accident.

business. These animals reproduce on the average of twice a year, and there are as many as six chinchillas in a litter.

In spite of the initial high cost of from \$1,000 to \$1,500 a pair, depending on the grade of animal, they are very cheap to feed and to care for. These animals never have to be bathed in water as they bathe themselves in a pan of sand. The sand sinks into the skin and absorbs natural oils which may ruin the fur.

COME IN AND LET ME TEST YOUR WATCH, FREE!

All watches repaired here are tested on the

Watch Masier

It tells us immediately what is wrong when you bring your watch in. It proves to you that it's right, when you take it out.

FORTUNE TELLER ORIENT

YOU can have fun figuring out your message from the Orient by use of this pleasant little letter puzzle. If the number of letters in your first name is 3 or less, subtract from 7. If more than 3 letters in your first name, subtract from 13. Now take this result and find your key letter in the word ORIENT at the top of this puzzle. Then, starting at the upper left corner, check each one of your large key letters as it appears from left to right. Below the key letters is a code message for you.

Rites Conducted For Lewis Owens

Funeral services for Lewis Owens, 34, who died Tuesday night in Corsicana, Texas, were held Saturday at 2 p. m. from Sisk Funeral Home, Bessemer City. Rites were conducted by the Rev. Fred Forester, and burial was in the Bessemer City Memorial cemetery.

He is survived by his wife, the former Miss Marcelline Sims; two children, Larry and Jimmy; a sister, Mrs. Guy Clark, of Joanna, S. C.; two brothers, Harold Owens, of Atlanta, Ga., and Darrell Owens of Charlotte.

Over the past five years droughts in the United States caused more losses under the federal crop insurance program than any other single hazard.

Griggs Exhibited 26-Ounce Hen Egg

A 26-ounce hen egg was exhibited by Monroe Griggs, Kings Mountain farmer, here last Thursday morning.

Mrs. Griggs found the egg Thursday morning when she went to the chicken house to gather eggs, the couple reported.

The egg, which weighed 26 ounces, is about three times the size of an ordinary hen egg. The Griggs raise both Barred Rock and White Rock layers at their farm on route three.

Ground Breaking Held Sunday

Ground-breaking exercises for Faith Baptist church, newest church in the Kings Mountain Baptist association, were held Feb. 14 at 3 p. m. on the church property here on Bennett Drive.

The church was organized November 15, 1953 and began as a mission sponsored by the Second Baptist church. The lot was donated by Burlington Mill, Inc., Phenix plant.

Rev. H. G. Weekley, pastor of First Baptist church, Rev. Lawrence Roberts, clerk of the Kings Mountain Baptist association, Rev. B. S. Turner, pastor of Waco Baptist church, Clyde Gladden, Rev. T. W. Bray, missionary to the association, and Rev. Flay Payne, the church pastor, took part in the service.

The 1953 State Legislature authorized a short form income tax return for State Income Taxpayers who have certain types of income.

Ford presents two new deep-block engines

Ford's new 130-h.p. Y-block V-8

This brand new Overhead-Valve V-8 has an extra-deep block which resembles a "Y" in cross-section. This new deep-block design means greater rigidity for smoother, quieter performance . . . longer engine life. Other features which make this engine a long-lived, smooth, saving performer are: new low-friction (short-stroke) design, Free-Turning Overhead Valves, new 5-bearing crankshaft, and new high-turbulence combustion chambers.

Check the extra dividends in the '54 FORD

Your Ford Dealer invites you to inspect and Test Drive Ford's new dividends for '54. You'll find new, smooth-riding, easy-handling Ball-Joint Front Suspension . . . a new, stronger frame . . . 5 optional power assists . . . beautiful new styling, inside and out. They're all reasons why Ford's the one fine car in the low-price field.

*Available at extra cost.

Ford's new 115-h.p. I-block SIX

Like the new Y-block V-8, this engine has Ford's deep-block design for greater rigidity, longer engine life. Also, like the V-8, you get Ford's modern manifolding, low-friction design, high-turbulence combustion chambers, and Ford's Automatic Power Pilot. One advantage of both new engines is an amazingly flat "torque curve" which gives you top pick-up power through the whole range of driving speeds.

You are cordially invited to come in and Test Drive the

'54 Ford
