**GI Bill Training Deadline Nearing**

Veterans who have served anywhere in the Armed Forces since June 26, 1950 and who were separated before August 20, 1952, must start their G. I. Bill training before August 20, 1954 if they are to receive such training. Veterans separated after August 20, 1952 have two years from the date of separation to commence training.

George C. Warlick of the Gastonia VA Office cautions veterans not to confuse the terms discharge and separated, inasmuch as many veterans have been released from active duty and transferred to a reserve component of the armed forces. They will not actually receive a discharge certificate until their reserve obligation, usually some 5 or 6 years, has been fulfilled. Consequently, the two year deadline period dates from the date released from active duty, though the discharge from the service may be 5 years or more later.

Veterans wishing assistance or information as to their education or training entitlement under the Korean G. I. Bill may contact Mr. Warlick at the Gastonia Veterans Administration Office located on the second floor of the Postoffice building.

family.  
Mr. and Mrs. Lamb have opened the filling station owned by Mr. W. F. Stone and formerly operated by Herman Cash. Beginning the 11th of July, there will be Revival Services held at Davids Baptist church each night for a week. Rev. E. B. Hicks of Shelby will conduct the services. Rev. C. W. Walker, pastor, urges everyone to attend.
