Pony All-Stars In Raleigh Event

The American Pony League All-star team, composed of boys from this area of which the Kings Mountain Recreation Department's Pony team was a member, left Monday for Raleigh where they will compete for the state title.

Other teams in the finals include Raleigh, Greensboro and Wilmington, with the winner going to Martinsville, Virginia for the Eastern U. S. finals, and from there to Washington, Penn., for the U. S. Pony League championship.

The American All-Stars were declared Western North Carolina champs after two lopsided wins over Canton last week by 13-1 and 7-0 scores. They had earlier defeated the National All-Stars by scores of 12 to 5 and 9 to 4 to earn the right to represent the section.

The team, composed of 15 boys from Kings Mountain, Bessemer City, Lowell, Mt. Holly, and Gastonia, has an excellent chance to go all the way, according to Russ Bergman, former high school and American Legion coach at Gastonia. Mr. Bergman and J. V. McGinnis are coaching the All-Stars and it is evident statistically at least, that their charges are going to be tough.

In the pitching department, the opposition has scored 10 runs on 14 hits in four games. The American All-Stars garnered 23 hits in a two game stand with the Nationals and last week proceeded to rack Canton pitching for 22 knocks. The team has hit 11 home runs and 12 doubles.

The pitching staff includes Tommy Wilson, half of the Mt. Holly State A. A. High school finalist pitching staff, and "Bunny" Childress from Firestone, both right handers, and Keith Layton, Kings Mountain lefty. Layton relieved Childress in the second game against the National team and allowed one run and two hits in the 2 and 2-3 innings he worked. Johnny McGinnis is the other local boy on the team has played in three of the four games, two in the outfield and one at second base. He had a hit and scored a run against the National team.

Other players on the roster include Roger Coon and Jerry Mullinax of Bessemer City, Huny-cutt and Cauble of Lowell, Murry, Tate and Miller of Firestone, and Soakie and John Dellinger and Jimmy Smith from Optimist of Gastonia.

The finals at Raleigh will be a double elimination affair with the trip lasting four days. The Kings Mountain Lions Club is footing the bill for the local boys.

Little League Loss Erased

Recreation Director Red Layton announced this week that the Little League game played in Gastonia last week had been erased from the records and Kings Mountain's Little Leaguers are still in the running for state laurels.

Mr. Layton had written Carl E. Stetz, president of Little League baseball, several months ago suggesting that towns with only one league be paired against each other in order to give the smaller towns a chance to advance to the state finals.

The idea was approved and new pairings have been made, with Kings Mountain in a bracket including teams from Shelby, Mooresville, Statesville, Hickory, Cherryville, Elkin, Lenoir, Waynesville, and Canton.

Kings Mountain will play Shelby in a single elimination game at Shelby on Monday, August 2, with the winner meeting Hickory the next afternoon.

The playing site was chosen by mutual agreement between Coach Leland Kindred and Mr. Layton of Kings Mountain and Director Gordon Goodman and Coach Manley Runyan of Shelby.

Kings Mountain does not have a regulation Little League field and Shelby has agreed to furnish three umpires, baseballs and erect a Little League fence. Next year's game is to be played in Kings Mountain.

The gymnasium on the new Wake Forest College campus will have a swimming pool in addition to space for many other activities.

Terris Infant Rites Conducted Saturday

Funeral service for Allan Wayne Terris, one-day-old son of Mr. and Mrs. John Terris, were held Saturday afternoon at 4:30 o'clock from Harris Funeral Home.

Rev. R. A. Essary, pastor of First Church of the Nazarene, and Rev. C. E. McKenzie, a former pastor officiated and burial was in Mountain Rest cemetery.

The infant succumbed last Friday at 11:40 p. m. at Kings Mountain hospital.

Mrs. Terris is the former Miss Pauline Summitt, daughter of Mr. and Mrs. A. B. Summitt of 108 Spruce street. The paternal grandparents, who also survive, are Mr. and Mrs. John Terris, Sr., of Gastonia.

North Carolina farmers will harvest about 112,000 acres of sorghums this year, compared with 77,000 acres last year.

Tar Heel sweet potato growers expect to harvest 40,000 acres of crops this year, 5,000 acres less than in 1953.

Irrigating Pastures Pays Off In State

Being prepared to supply additional water when it is needed may prove to be good insurance against pasture loss during the hot, dry months of summer and fall.

Howard Ellis, in charge of agricultural engineering for the State College Extension Service, says Tar Heel tobacco farmers are pretty well aware of the importance of irrigation. But the dairy and beef cattle farmer may not be so sure.

Ellis says that during dry summers, such as North Carolina has experienced during the last three or four years, the grazing capacity of pastures can be increased 50 per cent with irrigated water. In tests recently conducted by the Tennessee Dairy Experiment Station, returns from pastures that were irrigated averaged about \$100 more per acre than non-irrigated pastures — after cost of irrigation and other costs were deducted.

The tests compared irrigated orchard grass, alfalfa, and Ladino clover pasture with non-irrigated. It was found that the irrigated plots provided 257 cow-days of grazing per acre, compared with 176 days for the non-irrigated plots.

The irrigated plots produced 12,500 pounds of milk with 523 pounds of butterfat, compared with only 8,019 pounds of milk with 354 pounds of butterfat from the non-irrigated plots.

It's the Hit that's writing New History

TAKE a look, if you please, at the car and the styling that are changing historic sales standings. Take a look at the beauty and the buy called Buick — the car that is forging ahead to new sales heights in the 1954 market. Take a look at the new best seller that has moved into the "Big Three" of the nation's top sales leaders — into that very exclusive circle that for two decades has held only the so-called "low-price three."

For today, as national sales figures for the first five months reveal, Buick is outselling all other cars in America except two of these "low-price three." And each new month firms Buick's new position.

It takes solid worth to bring this about — a lot more automobile per dollar in Buick than in other cars. But it also takes the glamorous new tomorrow styling that is Buick today. It takes the highest V8 horsepower, Series for Series, in all Buick history. It takes the room and comfort and ride and handling that are Buick's proud tradition. And it takes a range of cars to satisfy a wide range of people — with prices that most people can well afford. So you find the low-priced SPECIAL, the high-powered CENTURY, the extra-spacious SUPER, and the custom-built ROADMASTER — the four big reasons for Buick's tremendous sales success. Come in for a demonstration and you'll see what we mean. With the years-away styling of this glamor car, you'll be way ahead at resale time. And right now you're money ahead with the big trade-in allowance our volume sales can bring you. Drop in this week.
