Troop 5 held their regular weekly meeting Monday, Nov. 23, at 7 p. m. at Pauline club house. The Troop was called to attention by the Scoutmaster, Patrol Leader, Roger Blackwell, led in the Scout Oath. Dues were collected and four boys rejoined the troop.

The Scoutmaster showed us how to stake out a 4 acre track of land with the use of a compass. We walked a 200-foot course to determine the length of our steps.

Two games were played, then we dismissed with the Scout Laws, led by Roger Blackwell. Scribe: Conway Jolly.

Bethware Cagers Defeat Grover

Bethware high school basketball team posted a twin victory in the first county conference start, downing Grover high's teams at the Bethware gymnasium on Tuesday night. Coach Jeff Wells' girls defeated Grover 42-34 and Bethware won the second game 46-36 over Coach Don Cheek's boys. Laney Morris topped the girls' in the scoring department with 31 points, while Sue Keeter had 14 and Kat Hambright 13 for Grover and Della Champion 11 for the winners.

Jack Barrett, with 12, and Jesse Putnam, with 9 topped the Bethware boys but Grover's Jerry Cook took game scoring honors with 17. Gene Odum had seven for Grover.

The county loop coaches, in a last-minute decision, decided not to use the "slap" rule in the girls division this year, Coach Wells said.

Milk production in 1955 is likely to equal the 124 billion pound record of this year.
