The strictly-amateur stock car race postponed by rain last week, will be run at Kings Mountain Speedway Sunday afternoon. Promoter Clyde Hullender announced yesterday.

Time trials are scheduled to begin Sunday at 1 p. m., with the 20-lap feature for amateur drivers to get underway at 2 o'clock.

Around 65 racers are entered in the Sunday race. Mr. Hullender reported yesterday, and a good race is assured, he added.

Among the late entries are James Tucker and Allan Anderson, of Spartanburg, S. C., Gene Holcombe and Bob Saymore, of Hickory, Joe Morris, of Alken, S. C., and Paxton Fox and Allan Rankin, both from South Carolina. Entries from Virginia and Atlanta, Ga., were also reported.

Winford Marteen, Speedway manager, said last week that some 20 cars had been entered from South Carolina for the rain-out event and all are expected to be on hand at the new clay track Sunday.

Admission to the race is two dollars, with children under 12 to be admitted free. Mr. Hullender has announced.

### Dixon's Condition Remains Critical

Condition of Palmer Dixon, of Bethany, S. C., brother of Butler Dixon, of Kings Mountain, remained critical at Charlotte Memorial hospital Wednesday according to relatives.

Mr. Dixon was injured in a hunting accident Thanksgiving Day when a hunting companion accidentally discharged a rifle, the bullet entering his neck and lodging close to the spine.

Reports from the hospital indicate a lessening of paralysis.

### 'Good Will' Names Being Obtained

Members of Senior High Fellowship of the First Presbyterian church will join in a world-wide observance of the 150th anniversary of the founding of the first Bible society, it was announced today by Fleming Mauney, president of the organization.

The jubilee observance has been described by the American Bible society, one of 24 national Bible societies which comprise the United Bible Societies, as "one of the greatest mass statements of faith in human history."

People of 60 nations will participate in a program to share the Scriptures with those who want them. Among the program's goals is an increase of the current distribution of 20,000,000 volumes annually to 25,000,000 in 1954, and to 50,000,000 by 1960.

A World Good Will Book is in preparation to be signed by those who wish to signify their desire to share the Bible. People in more than 60 nations will sign their names on the pages of this book of testimony to their love for the Bible, their faith in its teachings and their desire to share it with others.

### 'Cats Rebound Into Win Column

The Alleycats bounced back into the win column at Shelby Community Center alleys Monday night, defeating the Keglers while the Independents gained ground by stopping the Lucky Five.

Furman Wilson set the pace in the Keglers' loss to the front-runners, running up a 317 score for the set for high honors and copping high line with 127. His effort fell short as the 'Cats, paced by Leland Kindred's 310, Tom Gamble's 309 and Paul Ware's 305, won the hotly contested scrap 1479 to 1453.

Albert Brackett paced the cellar-dwelling come-back Independents with a high 346 set, including a 141 line, as the last place five rolled over the Lucky Five to the tune of 1510-1431. Jim Hamrick had 314 and Red Morrison 309 for the winners and Ralph Arrowood, at 304, and Jack Clark, at 302, paced the losers.

### Hospital Discharges Men Cut In Scrape

Two Kings Mountain men were discharged from Kings Mountain hospital Monday after being admitted early Sunday morning for treatment of facial cuts following a knife attack earlier near Sid Dulin's fish camp, located near Crowder's Mountain in Gaston County.

Arrested Sunday morning at Kings Mountain hospital and still held as of Tuesday night by Gaston authorities in lieu of \$2,000 bond on twin charges of assault with a deadly weapon with intent to kill is Pvt. Billy Amos, of Bessemer City. Amos is now stationed at Fort Bragg.

Gaston County Deputy Sheriff Jim Auten identified the injured men as Roy Williams and Lewis England, both of route 1.

Officer Auten stated that the incident was investigated by Gaston County Deputy Sheriffs Bill Hayes and Bob Ellington, but it was his understanding that the cutting scrap was an aftermath of an argument ensuing at the fish camp earlier.

Both warrants, Officer Auten said, were signed by Virginia England, w. of Lewis England. Mrs. England, the officer stated, witnessed the incident.

### Carlton's Club Wins Bowl Game

Coach Everette Carlton's East high school all-star team completely out-played the West club in the eighth annual Asheville Optimist Bowl game at Asheville last Thursday afternoon, winning the contest 7-0.

Guard Ken Cloninger and Tackle Dewitt Blanton of Kings Mountain and Backs Buster Ledford, Max Haynes and Brice Moore, of Shelby, were outstanding for the winners.

Cloninger received much notice for his stellar defensive play and Moore intercepted a pass to set up the game's only score. Ledford ran to the one-yard line and Moore went over for the score.

The West club got into East territory only twice in the game, getting past midfield for the first time in the third period and the closest they got was to the East 26.

Coach Carlton assumed the head coaching duties when Burton Bargar of Valdese and four of his players were unable to make the trip because of the Western conference playoff game, which failed to materialize when Shelby backed into the South Group crown via forfeits by Rutherfordton-Spindale.

The East players were picked for single wing play, with Coach Bargar's four stars to be the club's backbone and the West club reportedly took the game lightly in view of the reported "disorganization" in the East camp.

Coach Carlton was assisted by Forest City Coach Bill Cordell and the two welded a powerful forward wall, a potent set-defense and a strong running attack in the short pre-game practice period. Buddy Mayes, Kings Mountain tackle, drew praise from Coach Carlton for his work as team manager.

### Bennix Guilty Of Reckless Driving

As a result of an automobile accident, Martin L. Bennix, Negro, was handed a 90-day suspended sentence on a reckless driving charge in a short session of City recorder's court Monday afternoon.

Bennix's sentence was suspended by Judge Jack White on condition that the defendant be of good behavior and not break any motor vehicle laws for a period of 90-days, pay a \$5 fine and costs of court.

Arresting Officer Ralph Ware stated that the accident, which occurred Saturday morning, around 3 o'clock on Ridge street, in his opinion, was due to excessive speed. The officer further testified that the defendant admitted when arrested that the car was traveling around 50 to 55 miles per hour at the time of the accident. Bennix testified that the accident was due to a wet and muddy road.

Prayer for judgment was continued for 60 days for Jake Sipes charged with non-compliance with N. C. School Law.

One defendant was found guilty of public drunkenness.

Two capases were issued, one for Ben D. Adams, charged with driving without operator's license, the other for James Brown, charged with transporting non-tax paid liquor.

One case of a defendant charged with public drunkenness, was transferred to Shelby for trial by jury.

A charge of transporting non-tax paid liquor against Henry Evans Hughes was continued until next Monday.
