

Darlington Sets Pee Dee 200 Race In October

WASHINGTON — Darlington International Raceway's bid for an October AAA racing date next year was granted here this week at the conclusion of the annual AAA promoters meetings with the AAA Contest Board.

The South Carolina plant received Saturday, October 8th for the running of the Pee Dee 200 by the Indianapolis cars and drivers. Following the southern event, the last in the east for the big cars, the AAA championship schedule moves to California for hundred mile races at Sacramento, Phoenix and Las Vegas, AAA granted 13 championship sanctions, during the meetings, starting the schedule as per custom with the Indianapolis 500 May 30. Qualifying for the Pee Dee 200 will be held Thursday and Friday October sixth and seventh. The 24 fastest cars will start in the

event that will pay more than \$15,000.00 to the winners.

Bob Colvin, president of the Darlington speedway who attended the meetings in Washington said that with the Labor Day Southern 55 stock car classic a fixture Darlington would concentrate all their racing activity in the fall next year, relinquishing the July 4th racing date that has been used in the past. The possibility of an early spring race loomed, however, when Colvin said that attempts had been made to land a title go for April. "It's too hot to race in South Carolina during July," Colvin said, "but we will take a spring date providing a championship fixture can be landed."

CARDS OF THANKS

We the family of Mrs. George M. Hull wish to express our appreciation for the kindness and sympathy extended us during our bereavement. 12:16p.

The 1954 North Carolina sweet potato crop is estimated at 3,600,000 bushels, the second smallest production since 1871.

Sanders Appeals Jail Sentence

Earl Sanders, through his attorney, E. A. Harrill, filed notice of appeal to Superior court, a 60-day jail sentence handed him by Judge Jack White in City Recorder's court Monday afternoon.

Sanders was convicted of two charges, that of destroying a mirror in the rest room of B & B Soda Shop, brought against him by R. J. Forrest, owner of the Soda Shop, and a charge of public drunkenness, brought against him by Kings Mountain Police department. The incident occurred Saturday night.

Mr. Forrest testified that he did not actually see Sanders break the mirror, but did see blood on the youth's hand as he came from the rest room.

Bobby Smith, prosecuting witness, stated he was present in the rest room at the time the mirror was broken, Smith further stated the mirror was broken from a fist blow rendered by Sanders. The defendant, Smith also said, was drinking at the time the incident occurred.

Arresting Officer R. R. Carrigan, testified that, in his estimation, the defendant was drunk. The officer further stated that Sanders, when arrested, admitted to breaking the mirror.

Sanders is free under a \$200 bond. Charges of disturbing the peace and abandonment and non-support netted Erskin Thompson a 90-day road sentence. Thompson's sentence was suspended on condition that he be of good behavior for 90 days, that he support his family, and pay costs of court.

Five defendants submitted to charges of public drunkenness. One case, that of John Bryon Keeter, charged with driving a motor vehicle after his driver's license was suspended, at the request of the defendant, was transferred to County Recorder's court for jury trial.

The following cases were continued until Monday: Palmer Moss, Rolland Moss, Junior Putnam, and Max Odom, each arraigned on twin charges of assault with intent to kill, and attempted robbery; Joe Ducker, charged with illegal possession of tax paid whisky for beverage purposes; and Joe J. Link, charged with illegal possession of whisky.

Footo Lowers Price Of Lithium Product

Footo Mineral Company, leaders in the production of lithium chemicals, announced today a substantial reduction in the price of lithium hydroxide monohydrate.

Reductions, covering all price brackets, average 15 percent and reflect the economies of expanded production at Footo's Sunbright, Va., and Kings Mountain, N. C. plants. This action confirms the established Footo policy of encouraging greater usage of lithium in industry, a spokesman said.

The Tobacco Chemists Conference will be held at Raleigh in the fall of 1955.

Sanitation Rates Released Monday

Thomas Strickland, sanitarian with the health department, released Monday quarterly grades for Kings Mountain tourist homes and restaurants.

The following tourist homes were given grade "A" ratings: Fisher's Tourist Home, Kings Mountain Motor Court, Lynch Tourist Home, Maple Tourist Home, Morrow Tourist Home, Foster Tourist Home, and The Rock Motel.

Grade "A" ratings were given the following restaurants: Bob's Sandwich Shop, Craftspun Lunch Room, Corner Cafe, Phenix Lunch, Silver Dollar Grill, and Silver Villa.

Ratings of grade "B" were given B & B Soda Shop, Griffin Drug Company, The Horse Shoe Grill, Quality Sandwich Company, and Trout Club.

Grade "C" ratings were given Daisy's Grill, Hilltop Grill, John's Grill, and Shockley's Sandwich Company.

Teachers Hear Language Expert

James A. Gerow, consultant and representative of Houghton-Mifflin Company, spoke to the Central elementary and high school teachers Thursday afternoon on "The Teaching of Language in the Schools." He pointed out that the main objective of a language program is to help boys and girls speak and write better.

"In order to obtain this objective," he stated, "it is necessary not only to teach fundamentals of grammar, but to teach children how to do the practical language requirements of everyday life such as taking part in discussions, making introductions, giving directions, describing various objects and people, using the telephone correctly, and other similar things."

In addition to these things, he emphasized the importance of teaching how to make various reports and reviews, take notes.

This the 14th day of December, 1954. MARION JACKSON 12:16-30

write personal and business letters, tell and write interesting stories as well as make announcements properly. "If these things

are stressed in a language program as well as the fundamentals of English, the pupils will develop a workable knowledge of

the English language that will be of great benefit to them and to society in general," Mr. Gerow added.

The current Tar Heel sorghum grain crop is forecast at 1,978,000 bushels, an increase of over 500,000 bushels over last year's crop.

Give her a Bell for Christmas

Only \$79.00

Here's the ideal Christmas gift for the woman who sews or would like to sew. The American-made Bell Portable sewing machine is small, it's lightweight, it's compact, it's a modern engineering miracle. This round bobbin, lock-stitch machine will sew anything anywhere. Come in today and see this amazing Bell Portable that will
