Did You Wonder Why Santa Drops Gifts Down Chimney? How did it come about that Santa drops his gifts down the chimney? For the answer to this common belief about Santa and Christmas, we must go back to Saint Nicholas, responsible for so many other customs related to Christmas.

There's a story about an impoverished nobleman who was unable to find husbands for his three daughters because he could not afford a dowry for each. He was about to sell the daughters into slavery when St. Nicholas heard about it. Silently, Old Saint Nick dropped three bags of gold down the chimney. All three daughters soon married and lived happily ever after.

Carolina Dairy. A TREAT For The Whole Family Non-Alcoholic. PHONE 8031 SHELBY, N. C.

Just like most everyone else, Saint Nick prospered after he came to America. In Europe, before he reached these shores, Saint Nick was a tall, angular man who rode a bony gray mare. He hadn't been in America long, however, before he had a new name, a new face, figure and a new and better mode of transportation.

Clement Moore in his famous poem, "The Visit From Saint Nicholas," went even further. He gave Saint Nick a sleigh, twinkling eyes, cheeks like roses, nose like a cherry and a round little belly.
