Did You Wonder Why Santa Drops Gifts Down Chimney?

How did it come about that Santa drops his gifts down the chimney?

For the answer to this common belief about Santa and Christmas, we must go back to Saint Nicholas, responsible for so many other customs related to Christmas. There's a story about an impoverished nobleman who was unable to find husbands for his three daughters because he could not afford a dowry for each. He was about to sell the daughters into slavery when St. Nicholas heard about it. Silently, Old Saint Nick dropped three bags of gold down the chimney. All three daughters soon married and lived happily ever after. Thereafter, Saint Nicholas was often pictured holding three bags of gold. It is thought that he died about 343 A.D. and historians say that for 30 days after his death his genial spirit roamed the earth, filling the hearts of mankind with love and generosity. It could be said that St. Nick and Dr. Clement Moore, who wrote "A Visit From Saint Nicholas"

SANTA COMES TO AMERICA

Just like most everyone else, Saint Nick prospered after he came to America.

In Europe, before he reached these shores, Saint Nick was a tall, angular man who rode a bony gray mare. He hadn't been in America long, however, before he had a new name, a new face, figure and a new and better mode of transportation.

The early English settlers in this country started Santa's "new look" process. They adopted the legendary figure from the Dutch but couldn't pronounce "Saint Nicholas." The best they could do was "Santa Kalout," which was corrupted to "Santa Claus."

In 1809, Washington Irving in his "Knickerbocker's History of New York," changed Santa's physical appearance by describing him as a jolly fellow with a broad-brimmed hat and huge britches. He also taught St. Nick to smoke a pipe, and traded his hay burner for a wagon.

Clement Moore in his famous poem, "The Visit From Saint Nicholas," went even further. He gave Saint Nick a sleigh, twinkling eyes, cheeks like roses, nose like a cherry and a round little belly.

Future writers may try to trade Francer and Dancer off for a tirdship and trim down Santa's waist line. It will be a tough job, for, though he isn't streamlined, Santa pleases the young folks and that's mighty important.
