Wilson Salutes Cleveland County Domestic Worker? Here's Reminder

GROVER, N. C. — Cleveland County was saluted here last night by the North Carolina Motor Carriers Association at a joint dinner meeting of the Grover and Shelby Community Lions Club.

Jeff B. Wilson, director of information of the North Carolina Motor Carriers Association, Raleigh, lauded the Cleveland County for the growth and prosperity of the county.

Speaking to the more than 100 assembled here in the Rescue Squad Building, Wilson unveiled the first of the 100 County Industrial Booklets to be used for industrial development by civic, governmental, and industrial leaders and groups.

More than 500 copies of the Cleveland County edition of the 20 page booklet will be furnished free to the Chambers of Commerce, Merchants Associations and leaders of Cleveland County. Over 75,000 copies of the county booklets of the 100 counties of North Carolina will be furnished by the North Carolina Motor Carriers Association as soon as they are printed.

The illustrated booklet sights the following pertinent information about Cleveland County — Population, 67,200; Land Area, 466 (sq. mi.); Household, 17,500; Effective Buying Income, \$91,180,000; Total Retail Sales of Goods and Services, \$86,499,477; Goods alone, \$63,337,000; Total Wholesale Sales, \$55,716,000; Travel Expenditures, \$4,534,000; Median Family Income, \$3,901; Farm Income, \$14,944,813; State Highway Miles, 1,101.2 (182.1 primary and 919.1 secondary); and Motor Vehicle Registration, 22,782 Autos and 4,921 Trucks.

The Cleveland County trucking industry also plays a big part in the economy of our area.

Do you do domestic work in private home, not your own? If so, this notice will be important to you. Lex G. Barkley, social security district manager in Gastonia, N. C., pointed out today that, if a domestic worker is paid \$50 or more in cash wages in a calendar quarter (3-month period ending with March, June, September or December), a social security tax report must be filed by the employer for that quarter. He emphasized that only wages paid in cash are reportable.

Many domestic workers are unaware that the employers are not filing a proper report of these wages. Barkley pointed out that unless this report is filed with the Internal Revenue Service, domestic workers will not receive social security credit for the work they have done, even though in some instances the tax was withheld from their earnings. Many times employers simply forget to file the returns. Thus, a domestic worker may lose out in the valuable coverage he or she is counting on for the future.

Barkley further stated that baby sitters are also in the category of domestic workers and the same provisions apply to them. In those situations where a baby sitter is paid \$50 in any calendar quarter, a proper return noting the name and social security number of the baby sitter, and the wages paid, must be filed with the Internal Revenue Service within 30 days after the quarter ends.

Mr. Barkley invites all domestic workers or baby sitters who have questions about the matter or who doubt that they are receiving the proper credit to call or write the social security office located at 1320 E. Franklin Ave., Gastonia, N. C.
