

Former Resident Joseph B. Hord, Jr. Takes South Carolina Bride Saturday

Two Beaufort high school teachers—Miss Lynda Alma Morillo and Joseph Beach Hord, Jr.—were wed Saturday at 6 p.m. in the Protestant Episcopal Church of the Holy Communion in Charleston, S. C.

The bridegroom's parents, Mr. and Mrs. Joseph Beach Hord of Maxton, formerly lived in Kings Mountain.

Rev. Paul G. Linaweaver heard the couple pledge vows of the double-ring ceremony.

Miss Madeleine Theus of Annandale, Va. sang "Entreat Me

Not To Leave Thee" and "The Greatest Of These Is Love" before the ceremony and Eugene Koester, organist, played traditional music.

Given in marriage by her father, the bride wore a bridal sheath of delustered satin embellished with Chantilly lace which accented the square neckline of the bodice, sleeves and skirt with flowing Chapel train. Her millilla of tulle was bordered with matching Chantilly lace and she carried a cascade of white roses and ivy centered by a white or-

chid.

Mrs. Albert Milton Cowan of Rochester, New York, sister of the bride, was matron of honor and Miss Madeleine Theus of Annandale, Va., was maid of honor. Bridesmaids were Mrs. James Everett Cross, Jr. of Maxton, sister of the bridegroom, Mrs. Charles Wendell Smith of Spartanburg, S. C., and M. S. Charles Aymar Jaques of Charleston, S. C.

All the attendants wore white sheaths featuring white satin bands around the empire waistlines, long crepe skirts and long chiffon sleeves. They carried cascades of red roses with ivy.

man for his son and the list of ushers included Dr. Marvin George Morillo of New Orleans, La., brother of the bride; James Everett Cross, Jr. of Maxton, brother-in-law of the bridegroom; Roy Eugene Young of Maxton and Robert McLeod Henderson of Maxton.

The bride's mother was gowned in royal blue chiffon which featured a lace bodice and street-length dress. She wore matching hat and slippers and a corsage of pale pink carnations.

The bridegroom's mother chose pink eyelet organdy with tiered skirt and a corsage of pale blue carnations.

A reception was held after the ceremony in the church social hall. Assisting in details of entertaining were Miss Ida McCoskill and Miss Brenda Ruckman, both of Beaufort, S. C. Miss Edith Smoak of Beaufort kept the register.

For a trip to Gatlinburg, Tennessee, the new Mrs. Hord wore a light blue suit of silk shantung with hat of multi-color blue flowers and the orchid from her bouquet.

Women's Health

Hearing tests can and should be made on infants soon after birth, and should be repeated frequently if there is any reason to suspect impaired hearing. This is the conclusion of a British hearing specialist, who warns that the sooner a hearing disability is detected the better the chance that it can be corrected.

Parents should report any of the following signs to a physician so that he can take appropriate steps if he thinks it necessary:

- * Failure of an infant to respond to a loud, unaccustomed sound;
- * Failure of an older baby to react to its mother's voice;
- * Failure of a child to make sounds or to start forming words.

A one-year-old can be fitted with a hearing aid, and a two-year-old with severely impaired hearing can begin to learn to read lips.

And parents, too, can be taught how to work with and speak to their handicapped children so as to reduce the effect of their impairment.

acteristics nor academic achievement nor personality seem related in any way to the feeding method used, according to the researchers.

Even boys and girls who had been fed entirely by cup from infancy—and who had never sucked—grew up with no significant ill-effects.

New York, N. Y.—This beauty formula comes not in a bottle, but in a bath. According to recent reports, a great turn-of-the-century French beauty, Caroline Otero, who died recently at the age of 97, preserved her charms by following her nightly warm bath with, on successive nights, baths in the whites of egg, in champagne, in olive oil, in milk, and in petroleum jelly.

Recent Bride, Mrs. George E. Lewis, Jr. Honored Wednesday Afternoon At Tea

Mrs. Robert Lee Lewis, Mrs. George Ernest Lewis, both of Bessemer City, and Mrs. Joseph Lee Grier, Jr. of Mountain Lakes, New Jersey, entertained Wednesday afternoon from 3 until 5 p.m. at a beautifully appointed tea at the former's home, Lewis Lake.

The party paid compliment to Mrs. George Ernest Lewis, Jr. of Gastonia, recent bride. The former Linda Sue Carson and Mr. Lewis were married April 23.

The three hostesses, who are grandmother, mother-in-law and sister-in-law of the bride, formed a receiving line with the honor guest and her mother, Mrs. Elizabeth Carson, to greet the more than 125 friends who called.

Mrs. Ben H. Bridges of Kings Mountain invited guests to the tea table and assisting in receiving and entertaining were

Miss Elizabeth Grier, Miss Patricia Martin, both of Gastonia, Mrs. H. W. Cloninger, Mrs. Mott Thomas and Mrs. Coy Hovis, both of Bessemer City. Mrs. Fred R. Jenkins, Jr. invited callers to register and goodbyes were said to Mrs. H. B. Barringer, also of Bessemer City, Mrs. Witt Martin of Gastonia, the bride's grandmother, and Mrs. Fred King of Kings Mountain, grandmother of the bridegroom, received in the sunroom.

A yellow and white color note was carried out in decorative details. Overlaid with Ecru lace cloth, the refreshment table held a large silver candelabrum of yellow tapers at the center, the epergnette cups filled with yellow snaps and Garza chrysanthemums. Punch was served at one end of the table from a crystal punch service and tea was served from a crystal service at the opposite end. Mrs. Denver King of Kings Mountain, aunt of the bridegroom, presided at the tea service. Mrs. A. C. Curran, Jr. of Gastonia, the bride's aunt, served punch. Assorted cookies, fancy sandwiches and party pick-ups carrying out the color theme of yellow and white were served.

Summer flowers were combined in arrangements throughout the Lewis home.

Mr. and Mrs. James Ernest Ruff, Jr., 103 E. Indiana Ave., Bessemer City, announce the birth of a daughter, Tuesday, June 29, Kings Mountain hospital.

Area Young Folk Back From Girls, Boys State

Four Kings Mountain young people attended Boys and Girls State last week through Saturday.

Libby Alexander and Rita Bell are at the University of North Carolina at Greensboro for the 26th Girls State along with more than 300 rising senior girls throughout the state.

The 420 rising senior boys, including Philip Bunch and Scott Cloninger, are at Wake Forest college in Winston Salem for a week of citizenship training. High-ranking state officials, including Lt. Gov. Robert Scott, will address the boys.

The groups elected last week two new political parties—the Federalists and Nationalist—and the new governor of Girls State and other officers led the girls to Raleigh for the inauguration, visits to governmental buildings and an address by Governor Dan K. Moore. Boys' State delegates also elected a governor and council of state, mayors and other city officials.

The local students were delegates from American Legion Post 155 and American Legion Post 155 Auxiliary.

First Musical Opened Tuesday At Theatre

The Charlotte Summer Theater presents its first musical of the 1965 summer season with the opening on Tuesday evening, June 29, of "110 In The Shade" starring Dorothy Collins. The boisterous musical comedy will run at Owens Auditorium in Charlotte through Sunday afternoon, July 4.

Dorothy Collins, the vivacious star of "110 In The Shade", first gained national attention as the pretty, young singer in the crisp blouse and black tie who sang on "Your Hit Parade" on television. She went on to become America's sweetheart with a score of hit records, television and nightclub appearances. The dynamic entertainer's starring stage roles have included "Carousel", "South Pacific", "Brigadoon" and "The Unsinkable Molly Brown".

Charlotte Summer Theater Stanley Warren announced that "110 In The Shade" has only recently become available for summer production after its successful Broadway run and National tour. "It is quite a coup for the Theater to have '110 In The Shade' for the Carolina audiences", Warren said. "And we are extremely pleased to have engaged Dorothy Collins. We've been trying for her for three seasons now!"

Corpus Christi, Tex.—The number of illegal abortions performed in this South Texas city has fallen significantly since birth control information has been made available to women who want it. In 1962, according to local officials, some 348 women were treated at the city hospital following bungled abortions. In 1964, 292 came to the hospital for help, a drop of 16 per cent.

One doctor says that at present he treats as many victims of bungled abortions in a month as he used to in a week. Physicians and other experts credit the decline to the wide acceptance of the birth control pill. About 90 per cent of the women who come to the family planning centers select the oral contraceptive as their preferred method of family planning.

Kansas City, Mo. — However you feed your baby—by breast, bottle, cup, or a combination of the three—it will have little or no effect on his subsequent growth. This is the finding of a University of Missouri Medical School psychiatrist and a University of Kansas Medical School psychologist who studied the relationship, if any, between infant feeding method and the development of 80 adolescent boys and girls.
