1 Out The Prediction Sheet

Last week I missed one, Chase over Davie County, but was Davie County over Chase 6-0. I hate to go against ags Mountain and I know that if the boys will get in re and really play hard, the Mountain over Chase, 7-6. We'll 'nd on Jerry Mitchem to pull us through with the ex-cint. who is probably the fastest back in the conference. He is also Chase's leading ground gainer. 431 Another High In Over 10-Year **Bowling History**

Kings Mountain bowler Albert Brackett placed his name atop the high set division for Kings Mountain Men's League bowlers Monday night as hot scores continued to dominate the scene at Mountain Lanes Bowling Centre.

Brackett combined games of 164, 128, and 139 for a 431 set to lead first place Morrison Loan Company to a three game win over Clyde Culbertson, dropping the Culbertson team into third place in the league standings.

The set was another highest in the over 10-year history of Mountain Lanes as the top score posted before now was a 421 re-corded by DRandy Blanton dur-ing the Mixed League season last year. Brackett had only two strikes in the three games but averaged eight pins per spare. Boyer Murray set a 10-year high last week when he rolled a
