Police Schedule Turkey Shoot

Kings Mountain Police have scheduled their second turkey shoot of the year to be held Saturday at the Police Club on the York Road.
The shoot will begin at eight o'clock Saturday morning and throughout the day.
Guns and ammunition will be furnished and cold drinks and sandwiches will also be available.

Four Playgrounds To Be Completed

Three plots of ground have been donated to the Kings Mountain Recreation Department for playgrounds, it was announced yesterday by Little League Baseball Commissioner Roy Pearson.
The fields will serve as all-purpose courts with basketball, badminton, volleyball and other games being available.
All fields should be completed by March, Pearson said.
The playgrounds are located in all sections of the city. Otis D. Greene Post 155 of the American Legion has already tarred and graveled a playground at the front of the Legion Building and, according to Pearson, it should be completed by the end of next week.
Another field, located in the Crescent Hill Community, is being given by Fred Plonk and still another is being donated by Burlington Mills. A fourth playground, near North School, is being planned.
The playgrounds will be for use of girls as well as boys, Mr. Pearson announced.

Letter To Editor

Dear Sir,
I have recently been notified of the death of Mrs. Ruth Gamble and am deeply saddened by the loss of this wonderful person.
During my early years in Kings Mountain, and later, after joining the army, I came to know Mrs. Gamble as a person who spent most of her life helping others, unhesitating, and without reward. Her selfless devotion and dedication to her work earned for Mrs. Gamble, the respect and admiration of all who knew her.
My mother, sister, and I wish to express our sympathy to the family of Mrs. Gamble, and thank God for having had the opportunity to know her. We have lost a very dear friend and Kings Mountain a dedicated citizen.
Yours truly,
CWO Charles B. Wright
