Two Appointees

Methodist Youth Fellowship of Central Methodist church.

Bunch is active in the Latin, Key and Science clubs at KMHS and is also a member of the school baseball and football teams. During 1964-65 he was voted Kings Mountain's "Most Outstanding Teenager". He is a member of Boyce Memorial ARP church where he is president of his Sabbath School class and vice-president of the Young People's Christian Union District Council.

Smith and Tate Head Heart Drive

CO-CHAIRMAN — Tom Tate, above, and Devere Smith are co-chairmen of Kings Mountain's Heart Fund campaign which will begin in February.

Committees Are Named By Chairmen

Thomas Tate and Devere Smith, co-chairmen for the local Heart Association in Kings Mountain, are getting ready with their volunteers for February's Heart Fund campaign, under the state-wide banner of a "Hope for Hearts" theme, and according to the local heart group's president, Horace Carter, local Heart Funders will contact every home and farm in the neighbor-to-neighbor effort in the Cleveland County area.

It has been announced that receipts of last year's February fund raising effort in Cleveland County totaled \$13,342, according to the just-completed audit report of the state agency, State Heart Fund receipts came to an all-time high of \$652,000 the record for any voluntary health agency in the state.

The goal for 1966 is \$14,700 for Cleveland County.

Mrs. F. Searr Morrison of Kings Mountain has been appointed Memorial Gifts Chairman. In accepting the appointment, Mrs. Morrison pointed out that memorial gifts support the heart-saving programs of the Heart Association, including some \$11 million each year for heart research in North Carolina and throughout the nation.

"Memorial gifts to the Heart Association are appropriate tokens of affection and respect. They represent a realistic investment for all our hearts," Mrs. Morrison said. These gifts are promptly acknowledged to the family of the deceased (no mention is made of the amount of the gift). The giver receives a receipt, indicating the amount for tax-reducing purposes. Such contributions are tax-deductible.

Memorial gifts should be sent to Bobby Guffey, Hwy. 18, South, Shelby, giving name and address of giver, name of person in whose memory the gift is being made, and name and address of next-of-kin who should receive notification of the memorial. Checks should be made payable to the Heart Fund.

Other chairmen of committees include: W. Skelton Devere Smith, special gifts; Heart Sunday, Carl Wilson; Tea and Ballon Days, Mrs. John Gamble; Posters, Jacob Dixon; and Clubs and Organizations, Tom Tate and Mrs. F. S. Morrison.

Nita McGinnis' Rites Conducted

Funeral rites for Nita Ann McGinnis, 12-year-old daughter of Mr. and Mrs. George David McGinnis of Cherryville, were held Wednesday at 3 p.m. from Cherryville's First Presbyterian church, interment following in City Memorial cemetery.

The youngster was a cousin of the Henkle McGinnis family, Mr. and Mrs. Grady Howard and family and Mr. and Mrs. W. Lewis Dellinger, all of Kings Mountain.

A seventh grader, young Miss McGinnis and two young friends, Robin Quinn, 12, and Robin Beal, 11, Monday were riding a homemade sled made from tin in the snow, the sled hit a bump in the road and threw the McGinnis girl into the path of a car driven by Robert Mills, who lives only a few houses from where the accident occurred on Roy Aker road in Cherryville. The other two youngsters were not seriously injured.

No charges were made. Other survivors include a sister and the child's maternal grandmother and paternal grandparents.

LEGION MEETING

Jonas Bridges is program chairman for Friday night's regular February meeting of Otis D. Green Post, American Legion. It was announced by Joe McDaniel, Jr., adjutant. Refreshments will be served following the meeting.

Piedmont Proves It Can Cooperate Mecklenburg's Moore Tells Jaycees

Senator Herman Moore said Tuesday night he plans to file for reelection to a second term in the North Carolina Senate.

At 35 the youngest member of the legislature and freshman senator, one of three from Mecklenburg County, Moore's remarks came following his address to the annual Bosses' Night banquet of the Junior Chamber of Commerce.

Presented by Senator Jack White of Kings Mountain as "his close friend and an outstanding rook member of the Senate", Mr. Moore led a discussion of North Carolina's new apportionment plan.

The Charlottean was a member of the Congressional Reapportionment committee of the General Assembly. Senator White was a member of the Senate Reapportionment committee.

"Where are we politically today?", Moore asked. He answered his own question by saying that "true apportionment will come in 1971."

The story of our last week in Raleigh, one session and two special sessions of the legislature was a "terrific experience" and proves that the Piedmont can stick together, says Moore.

Elaborating on congressional redistricting, by far the toughest because of what he termed sectionalism in the West and far East, Moore said a serious problem is in trying to keep incumbents in office. The facts there are 11 districts in the state, 11 congressmen, three congressmen in the Western area of the

state live within 90 miles of each other.

Senator White had said, "I say let the line fall where it may. Let the incumbents run against each other."

Senator Moore concurred.

Senator Moore is a former DSA winner, named Mecklenburg County's Young Man of the Year in 1954.

A former Kings Mountain Jaycee, Senator White several years ago was opposed by a Forest City Jaycee for a district vice-presidency and lost by one vote.

Dwayne Robinson, Jaycee district officer, Joe Randall, and Bob Waters, all of Forest City, were present as guests, as were two former DSA winners, Otis Falls, Jr. and Don Crawford.

Mike Dixon and Bill White headed the Jaycee committee on arrangements.

Mayor To Confer With Babcock

W. F. Babcock, State Highway commission administrator, has invited Mayor John Henry Moss to Raleigh to discuss the city's likely cost and means of handling moving city utility lines on the US 74 by-pass project—where the lines are on highway commission property or right-of-way.

Mayor Moss said he hoped to arrange a meeting with Babcock on February 11.

Babcock wrote highway commission engineering department, estimates indicated a cost of about \$90,000.

Mayor Moss said he anticipates the city will move its own lines at considerably less cost. He noted, "The city has the equipment and manpower to do this work."

Firemen Plan Barbecue Sale

Bethlehem Volunteer Fire Department will sponsor a barbecue for benefit of the club building fund Saturday from 5 until 7:30 p.m. at the Fire Department in the Bethlehem community.

Plates are \$1.50 and tickets may be purchased from firemen. Fred Tate has announced.

Mrs. Herman Blalock, Jr., publicity chairman for the Auxiliary, announced that women would sell homemade cakes, pies and cookies at the same time.

Firemen conducted a house-to-house canvass of the Fire Department area last week, receiving gifts of more than \$700 to be applied to purchase of fire-fighting equipment.

Stadium

is \$145,493.

Charles F. Harry III, of Grover, treasurer of the fund drive for the stadium, said cash and pledges to date aggregate about \$84,000, which would indicate a need for additional cash of \$61,493.

Some funds of undetermined amount will be supplied from the schools. A \$15,000 grading item alternate was taken when the board of education contacted for the Kings Mountain high school plant.

Meantime, fund drive leaders say they think some additional contributions can be obtained once the final contract is signed and construction starts.

Moore

Letter to Rev. Mr. Moore from his son's commanding officer, Captain R. H. Lockwood reads: "As your son's Commanding Officer, it gives me great pleasure to inform you that he has earned the distinction of having been chosen Outstanding Recruit for his company. He was selected for this honor by his Company Commander by virtue of his initiative, perseverance, and devotion to duty."

"A letter of commendation was presented to your son at a Captain's Meritorious Mast."

"I know you must feel a genuine pride in your son's achievement. Please accept my personal congratulations and best wishes for his continued success."

Heart Facts

Q—Can rheumatic fever be prevented?

A—Yes. Doctors can usually prevent rheumatic fever by prompt and thorough treatment of streptococcal sore throats and certain other strep infections. Doctors often prescribe regular, continuous penicillin protection for patients who are inclined to contract rheumatic fever. This guards against repeat attacks of the disease, and increased possibility of heart damage.

SONG SERVICE

The monthly gospel sing will be held Sunday, February 6th, at Second Baptist church in Bessemer City, according to announcement by Yates Smith. All area singers and interested citizens who like gospel singing are invited to participate. Mr. Smith said:

METER RECEIPTS

Parking meter receipts for two weeks ending Wednesday totaled \$233.80, including \$168.80 from on-street meters and \$65 in fines. Due to bad weather, off-street meters were not checked.

TAG SALES

Sale of city automobile license plates remain on sale at \$1 each at the courtroom of City Hall.

SWEETIE PIE

"Pop's sure getting a kick out of that new one-way view window he had installed!"

WOMEN'S HEALTH

BROKEN FINGERNAILS? STACK THOSE DISHES
Portland, Ore. (WMNS)—Circulatory problems, injuries and infections can and do affect the fingernails of both men and women. But one nail condition—horizontal splitting—is found more often in women than men, reports Dr. L. F. Ray of Portland. Why? For two reasons, the doctor explains:

Because the ladies often use an acetone nail polish remover. And because housewives frequently have their hands in water, using alkaline cleaning solutions which can cause nail damage.

Recommended solutions: Change your polish remover and wheedle your husband and children into sharing the washing chores.

GIRTH CONTROL PILL SEEMS TO CONTROL BALDNESS
Linton-on-Ouse, Yorkshire, England (WMNS)—An entirely unexpected benefit of oral contraception was reported recently by Royal Air Force physician M. G. P. Fisher. Dr. Fisher says that "the pill" apparently caused hair to grow on a bald spot of one of his women patients.

The 32-year-old woman had lost all her hair at the age of three or four following an asthma attack. Although the hair eventually grew back, from that time on she suffered from patchy bald spots. Treatment with massage, sun rays, stimulating lotions without benefit, the doctor noted.

Only during pregnancy did the baldness disappear entirely; but it reappeared three or four months after each delivery.

Wishing to limit the size of her family, following the birth of her third child, the patient, on the advice of Dr. Fisher, began to take birth control pills. Six weeks later, hair began to grow on the bald patches. Four months later "satistactory regrowth was established, and maintained for a further eight months," after which time the doctor lost track of the patient. The physician's experience was published in a recent issue of the British Medical Journal.

HEELS BANISH ACHING BACK
Philadelphia, Pa. (WMNS)—"I have found that some women when they are pregnant wear flat shoes rather than shoes with heels which they normally wear. These women frequently complain of backache and referred pain down the back of their legs. As soon as they resume wearing heels these symptoms leave."

This observation was made by Dr. Harry Fields, associate professor of obstetrics and gynecology, Hospital of the University of Pennsylvania, at a recent meeting here.

Dr. Fields also pointed out that the pressure of the growing uterus sometimes causes back pain, as does the increasing weight of the baby which alters posture. Postural changes can cause backache.

Mexico recognizes National China but still trades with Red China.

Garden Time

Now that the President and Mrs. Johnson have launched a campaign to "Beautifully America" I feel sure that my readers will be interested in this poem by William F. Clark. The title is:

LITTER-IT IS
"Let it not be said, and to your shame
That all was beauty here until you came."
I read these words upon a public site
Where picnickers and campers had a right
To taste the air, to stir their souls to see
What wondrous beauty nature made for me.

On closer glance I saw the sign was scarred
With jack-knifed letters, foul verse, and marred
Beyond repair; what reason can there be
That everything that man can touch and see
Must bear his name, must show his mighty power,
Must be despoiled in every passing hour?

Why must old cans and bottles come to rest
Where lovely flowers and ferns are at their best?
Why must the ground with littered trash be strewn
And Kleenex every lovely bush festoon?
Why must we try to ruin all we find
Of beauty in the world or heart or mind?
I packed my gear, I could not stay for long
Where men and thoughtless minds had done this wrong.
They'd robbed my pleasure, stolen all I need.
To sooth my soul, That entrance sign should read
"It must be said, and ever to your shame,
That all was beauty here until you came."

PRESBYTERIAN
Dr. Paul Ausley's sermon topic Sunday at First Presbyterian church will be, "Neither Common or Unclean."
