LOCAL FINANCE CO.

Dear Readers:

You know, more and more people are coming to Local Finance. Maybe it's my good looks, or my wavy hair, or maybe it's because the word is out...I like to make loans for \$300, \$400, \$500 or more...I like to consolidate all customer's bills into one monthly payment. People tell me I'm the easiest fellow to get along with, especially when someone needs more than \$300.

Got to close now...A couple just came in for \$600 and I promised to put the cash in their hands in 20 minutes. Next thing you know, they'll be calling me "speedy"...I get the cash out to the customers with fast, fast service.

Sincerely,

Charles Arnette

Manager

P.S. Tell your friends about me...how easy it is to get \$300, \$400, \$500 or more at LOCAL.
