Witnesses Plan Five-Day Meet In Maryland

Jehovah's Witnesses of the Gastonia, Kings Mountain, and Bessemer City congregations are completing their preparations to form a delegation to a five-day convention of the group in Baltimore, Md.

Under the direction of Harry Dague of Route 1, Gastonia, local presiding minister, the Witnesses will be among 50,000 or more persons attending the "God's Sons of Liberty" District Assembly August 17-21.

According to Dague, many of the local groups have arranged their vacations from secular jobs so they can attend the entire convention.

"Most people spend a vacation at the shore or in the mountains, and they cannot conceive of families using their vacations to attend sessions of Bible talk," he said. "It is even difficult for them when they learn that oftentimes the delegates volunteer to

work in one of the convention departments. Yet to us the annual assembly is the highlight of the year—something we really look forward to."

There has to be a motive and, of course, there is.

"It's love of God and of one another," Dague explained. "Love expresses itself by action, by what it does. So a grand occasion for displaying Christian love is when we gather together each year to be taught from God's Word and to be instructed in Christian doctrine and practice."

"There are scriptural injunctions, too. 'In the Bible at Deuteronomy 31:12 God commanded his people: 'Congregate the people, the men and the women and the little ones...to carry out all the words of this (God's) law.' This instruction also carries over into the Christian era," he said.

The entire convention will be operated by Witnesses who volunteer their time and skills without pay. More than 10,000 such workers will be needed.

"Here, too, a Bible principle is involved," Dague said. "In Acts 20:35 it says 'there is more happiness in giving than there is in

receiving.' So side by side many of the delegates of various races and nationalities will work willingly to make the assembly run efficiently."

Dague said some of the local witnesses have already volunteered and received convention work assignments. He stated that D. B. Thompson and wife of Willow street, Gastonia, were called in and left the 25th to help in getting rooms for the over 30,000 requests already received.

A special public Bible discourse will climax the five-day assembly. On Sunday, August 21, Fred W. Franz, Vice-President of the Watchtower Bible and Tract Society, will speak on the subject "What Has God's Kingdom Been Doing Since 1914?"

CARD OF THANKS

We wish to express our sincere appreciation to the many friends and neighbors for their kind expressions of sympathy at the death of our beloved mother.

The Family Of
Mrs. J. P. McDaniel

Fertilize Garden, Warlick Rites And Field Crops Held Friday

Lawns have definite lime and fertilizer requirements and these needs are not supplied by the natural fertility of our soils, states H. R. Clapp, county extension chairman of Cleveland County. We must fertilize garden and field crops, so it is only logical that we must fertilize our lawns.

Soils that have not been limed in the last four to five years are likely to be acid. If they've not been fertilized in the last two or three years, they are probably low in potash and possibly phosphorus. And if nitrogen has not been applied this year, or even more recently on many soils, the nitrogen level will likely be low.

Neglect of the lime and fertilizer requirements of lawn areas leads to sparse and slow growing grass, the encroachment of undesirable grasses, and poor color. Proper lime and fertilization care of lawns is based on a soil test. A soil test will indicate the present lime and fertility level of your soil. Results of

months. Surviving the couple are their son, Heyward Warlick of Los Angeles, Calif.; and five daughters, Mrs. Junie Rutledge of Greensboro, Mrs. Lallage Falls of Kings Mountain, Mrs. Richard Day of Booneville, Mrs. James Grice of Shelby and Mrs. Dan Gill of Miami, Fla.; and 13 grandchildren and 13 great-grandchildren. Mrs. Warlick is also survived by a brother, Wesley Smith, of Portsmouth, Va.

Double funeral services for Mr. and Mrs. A. P. Warlick, both 82, were held Friday at 11 a.m. from the Chapel of Harris Funeral Home.

Rev. Howard Jordan officiated and interment was in Mountain Rest cemetery.

Active pallbearers were C. D. Ware, James Grice, Bill Cobb, Gillie Falls, Danny Gill, Charles Wray, Jimmy Grice, Dan Gill, David Falls, Buddy Falls, W. G. Grantham, and Joe Rutledge, Jr. Honorary pallbearers were J. R. Davis, Warren Reynolds and Charles Goforth.

Mr. Warlick, retired building contractor, died last Tuesday night following illness of several years. His wife, the former Texie Smith, died 18 hours later following illness of several

tests are reported to the person sending in the sample, along with lime and fertilizer suggestions.

Most lawns, especially those with cool season grasses like fescue, bluegrass and ryegrass require fall fertilization as well as spring. Also new seedlings of the cool season grasses are generally more successful when planted during early fall. Strong root systems are developed during the fall, winter and spring months and consequently they can better withstand summer heat and drought. It is especially important to lime and fertilize these soils according to a soil test if good growth is to be sustained over the years. Mix the fertilizer and lime for new seedlings to plow depth.

Now is a good time to have your lawn soil tested for fall lime and fertilizer requirements. Mr. Clapp suggests that you come to his office in the County Office Building for soil sampling supplies and instructions on how to sample lawns. Also, Vocational Agricultural teachers, the Soil Conservation Service, and representatives of the Fertilizer Industry have sampling supplies and instructions. Prepare now for an attractive lawn next year.

STRICTLY FRESH

Going to the beach is like going to the attic—you can

count on being surprised by what you'll find in trunks.

A woman does not mind seeing a man make a fool of himself so long as some other woman isn't helping him.

College years: The only vacation a boy gets between his mother and his wife.

The trouble with American foreign relations is that so many of them are broke.

The modern woman tries to get the most out of an evening gown.

Dress in front of the mirror ladies, if you want to see what's going on.

Some girls get tanned at the beach, others sun-struck.

The morning rush would be somewhat eliminated if people realized that coffee cooks quicker if put on ten minutes earlier.

"LET'S GO TO THE RACES"

Lucky 500 Winners!

WATCH "LET'S GO TO THE RACES" EACH SATURDAY NIGHT. WFBCTV AT 8:00 P.M. AND WBTB AT 7:00 P.M.

Get your free race card each week at Winn-Dixie. No purchase is necessary. Save your race card and watch the five televised races each Saturday night. If your horse's number finishes as indicated on your free card, you are a winner. You can win in any one of the five races each week. Winning race numbers are also posted Monday in all Winn-Dixie Stores. Get your free card with each visit to Winn-Dixie! No purchase necessary!
