For Steak Tartare Combine Steak, Egg

For steak tartare, use round steak that's been put through the grinder twice. Spread bread slices with butter, then with a layer of the meat; make an indentation in the center of the meat and add a raw egg yolk.

Mix meat and egg yolk and add salt and freshly ground pepper to taste. Have the beef freshly ground and make these open sandwiches just before serving.

Higher Yield Savings Plans Are Offered

RALEIGH — First Citizens Bank & Trust Company now offers two new higher yield interest savings plans, according to Lewis R. Holding, president of the banking firm.

One plan features 5 1/2 per cent guaranteed interest one-year savings bonds. This is the maximum interest rate permitted by law on savings bond plans. These bonds, which earn from date of purchase, are available in amounts of \$1,000 or more. Interest is payable at maturity of bonds.

Another new plan, Premium Passbook Savings, is also in effect at First-Citizens. These savings earn 5 per cent guaranteed daily interest compounded four times a year. This plan requires an initial deposit of \$500 or more. Savings funds may be added to this deposit any time in any amount. Withdrawals may be made on 90 days written notice. Savings earn from day of deposit.

First-Citizens offers other savings bond plans at 5 per cent and 4.80 per cent interest. The bank continues to offer its regular savings accounts which earn 4 per cent daily interest compounded four times a year. This is the highest interest rate on regular savings accounts permitted by law. No withdrawal notice is necessary on this type account.

Mr. Holding, in explaining First-Citizens' decision to offer these new savings plans, said, "We always strive to offer our customers every possible advantage in savings and progressive bank service. We sincerely be-

lieve these new savings programs will encourage greater thrift throughout the state and help build a sounder economic base for North Carolina and its citizens."

Miss Rountree and Jim Reid son of the Reids, will be married this summer. The Reids also spent part of the time with their son who lives here and is employed by the State Highway Patrol.
