The Veterans Corner

EDITOR'S NOTE: Below are authoritative answers by the Veterans Administration to some of the many current questions from former servicemen and their families. Further information on veterans benefits may be obtained at any VA office.

Q—I am a sericeman with more than two years of service, but have less than 180 days since January 31, 1955. Am I eligible Mullinax.

A—Yes. Two years of active service, any part of which was after January 31, 1955, qualifies you. But, you are eligible — month for month — for only that time you have served since that date.

Q—As a so-called "Six month Enlistee" am I eligible for benefits under the new GI Bill?

A—No.

Q—I was on active duty from August 19, 1957 to September 20, 1960. Am I eligible for hospital treatment?

A—Yes. All veterans discharged from military service, under conditions other than dishonorable, after January 31, 1955, will be eligible for admission to VA hospitals with the same general admission priorities as wartime veterans.
