A BARGAIN... A REAL VALUE IS NOT A MATTER OF PRICE ALONE!

It's what you get for what you pay.

The house dress or shift at \$1.98 is no bargain if—the seams pop the first time you wear it or it shrinks inches the first time you wash it.

A cheap product just for the sake of low price is no bargain. A quality product at a low price that's a bargain...that's a real value...that's our A&P Brands.

More than a century ago we decided our own brands would be our finest values. They are...and we're proud of it. So proud...so sure, we unconditionally guarantee your full satisfaction.

Are A&P Brands a good reason for shopping A&P? They're one of many.
