It's COLD out there!
Winter is often a testing time for a child's hardness and a parent's patience. Some winter weather discourages even the most determined youngster from outdoor activity and the adult's favorite admonition "go out and play" is useless. During such times the parent must face an onslaught of youthful high-spirits while armed with nothing more than a resolute smile.
We at Rexall understand and salute the patient, winter weary parent. And remember, if things get too hectic, give us a visit. Sometimes it helps just to get out of the house.
