Bell Installs Intercom System

A new type of intercom system for plant men is being installed in several central offices throughout Long Lines.

In Southern Area, installation has been completed in Stanfield, North Carolina. Plans are currently underway for installation at Ellenville, Florida, in the near future.

Some of the major features of the new system are: trimline telephones; dialing only two digits to reach another party; speaker phones for hand-free communications or regular phone receivers for privacy; a conference capacity of up to 16 stations; and the capability of adding up to three parties onto one phone conversation after the initial connection has been made, said R. B. Moore, local telephone manager.

Rep. Broyhill Addresses GOP

Congressman James Broyhill of Lenoir, at Friday night's Lincoln Day Dinner of Cleveland County Republicans, said that victory, not a stalemated war, should be the aim of the United States in Vietnam.

"Our first priority is a grim, shooting war in Vietnam, which must be fully supported so long as we send Americans to fight and die in that far-off corner of the world," said the Congressman. "Next, we must mobilize our national resources, public and private, to meet the problems of crime, jobs, economic opportunity, education and integrity in public office."

"The President has talked too much about crime and has done too little about it. Republicans in Congress have offered strong programs to meet many aspects of this problem. The Administration has opposed most of these suggestions and after more than a year is just now beginning to take an interest in some of these proposals. Of course, it is now taking credit for the ideas. However, this is not the point. The point is that the American people want enforcement put back into law enforcement. They want the rights of the accused protected, but they want the police given the reasonable tools they need. The American people want the police to function to protect the rights of the innocent victim of criminal activity," said Broyhill.

Among the 75 people attending was Robert V. Somers of Salisbury, one of three candidates seeking the GOP nomination for the U.S. Senate seat held by Democrat Sam Ervin. Number Four Township Republicans attending were Ed H. Smith, GOP Executive Committee chairman; Ted Weir, Mr. and Mrs. Bob Manner, Mr. and Mrs. Bill Babb, Mr. and Mrs. Harold Herndon, Mr. and Mrs. R. G. Whisman, Mr. and Mrs. Buford Spicer, Rev. and Mrs. Bob Haden, Mr. and Mrs. Raeford White, D. G. Littlejohn, Mrs. J. C. Nance and Mrs. Charles Fisher.

Some of the major features of the new system are: trimline telephones; dialing only two digits to reach another party; speaker phones for hand-free communications or regular phone receivers for privacy; a conference capacity of up to 16 stations; and the capability of adding up to three parties onto one phone conversation after the initial connection has been made, said R. B. Moore, local telephone manager.

Bonds Again Refund Option

Savings Bonds State Director for North Carolina, Walter P. Johnson, today reminded taxpayers that the Treasury Department will once again offer them the opportunity of taking income tax refunds in United States Savings Bonds.

The savings option, introduced in 1963, is in addition to the two standard options of taking tax refunds in cash or applying them to next year's tax.

"When a taxpayer elects to take his refund in Series E Bonds," Mr. Johnson said, "his money goes to work immediately on two jobs. It begins to build his financial security. At the same time, it contributes to our country's economic strength. Those who elect the U. S. Savings Bond option join millions of Americans who are investing in their country's future in this way.

"When you check the Savings Bond line on your 1967 tax form," Mr. Johnson continued, "you automatically assure yourself of two advantages: You provide yourself with an easy method of holding on to your tax refund dollars and a sure way of making it grow one-third larger at maturity. When your mark is made, the rest is automatic. For example, if you're entitled to a refund of \$42, you'll get a \$50 face-value Series E Bond (cost \$37.50), plus a check for \$4.50."

Mr. Johnson said, "choosing Bonds is the surest way I know of to make your tax refund really mean something to you."

Warlick Firm Is Re-Elected

C. E. Warlick Insurance Agency of Kings Mountain, a local independent insurance agency, has been re-elected to membership in the Kemper Insurance President's Club.

The President's Club is a hall-mark of excellence, awarded to agents who have done an outstanding job for their policyholders and made a substantial contribution to the growth of the Kemper organization.

Notification of this distinction was received this week by the Warlick Agency in a congratulatory letter from Mr. B. C. Dahmann, executive of the Kemper Companies.
