Life in Kings Mountain as it was in the 1870's and 1880's is program topic of Girl Scouts this week. They are cooking, using recipes from this period of history, and preparing for a "Show program" to be presented in Savannah, Mrs. Raymond Holm-

Area Girl Scouts opened the week of activities on Sunday by attending church services. They wore uniforms and sat together for morning worship services.

Here's a tasty tip: Successful cheese cookery depends on brief heating at a low temperature. High temperature and prolonged cooking makes cheese tough and stringy.

Cheese, which is a good source of protein, is also a thrifty buy. Every bit of it can be used. If the end piece is hardened slightly, cut it off and grate it. Keep include some of the more ungrated cheese in a covered container and use it as a topper on casseroles and vegetables.

Go continental tonight. Serve a simple yet elegant dessert of fruit and cheese. Remember to Carolyn McLaymore.
