

Boy Scout News

By KEN CULBERSON

The Piedmont Council, Boy Scouts of America, held this year's Camporee on Alex Owen's farm just south of Kings Mountain. Troop 92 attended the Camporee. Troop 92 left the Scout Hut at 5 p.m. When the farm was reached the Scouts hiked about 1 1/2 miles, each with a pack on his back carrying his personal gear. Troop equipment, tents, water jugs, axes, cook kits, etc., were hauled on a truck owned by one of Kings Mountain's industries.

The Scouts found their campsite without difficulty. The tents were all up by 6:15 p.m. Soon supper was cooking. After supper, the Troop ended the day with its own impressive campfire ceremony.

The Scouts were up bright and early at 6 a.m. Saturday morning. Soon grits, sausage and other breakfast foods were sizzling over the fire. There was a clean-up and then an assembly. At the assembly it was announced that live chickens would be set free. Each patrol was to catch, kill, pluck, cook and eat a chicken.

Also during the morning the Troop set up its pioneering project, a hand walking ladder across a creek. A ladder was lashed. Poles were driven into the ground. The ladder and poles were lashed together. Then braces were put up, 350 boys were to cross it, holding the ladder with their hands. Lunch was prepared. Chicken was the main course.

Later in the afternoon an assembly was called. The Scouts saw a firearms demonstration and got to shoot a .22 rifle. Then, the obstacle course was run. The boys crawled, climbed or ran over towers, ladders, monkey bridges and an eight foot wall. One patrol of Troop 92, the Bat Patrol, had the fastest time of any patrol at the camporee. The boys returned to the campsite. A long rest followed. A campfire program was held after supper. Jay Keeter from Troop 92, dressed as an Indian, lit the campfire. Each troop presented a skit.
