Sister - Brother From KM Cited For NCSU Academic Achievements

RALEIGH—A sister and brother—Diana Lea and Kenneth Dan Bunkowski—were among 14 Cleveland County students cited for their academic achievement during the spring semester at North Carolina State University.
The Cleveland County students were part of the 1,651 students to earn the Dean's List this spring semester. The number of students making the Dean's List compared with 482 dismissed for academic difficulties, that meant a higher than 3-1 ratio of honor students over those who failed.
To attain the Dean's List a student must achieve an average of "B" or better.
Diana and Kenneth are the children of Mr. and Mrs. Kenneth D. Bunkowski of 802 Meadowbrook Rd., Kings Mountain. Diana is a freshman with a liberal arts major. Kenneth is a junior chemical engineering major. They are both graduates of Kings Mountain high school.
Other students from Cleveland County who were honored for their high academic achievements are:

Edwards Finishes Recruit Training
Marine Private Garland W. Edwards, 18, of 405 Belvedere Circle, Kings Mountain, N. C., was graduated from eight weeks of recruit training at the Marine Corps Recruit Depot here.
He will now undergo from two to four weeks of individual combat training and then, after leave at home, will report to his first Marine Corps assignment.
The intensified Marine recruit training emphasizes rigid physical conditioning and survival techniques, both at sea and ashore, to develop self-confidence and endurance. Marksmanship with the M-14 rifle and 45-caliber pistol are equally stressed, and close order drill instills the traditions of Marine Corps teamwork.
A thorough study of basic military subjects, hygiene, first aid and sanitation, and the customs, courtesies, history and mission of the Marine Corps serve to polish the new Marine's recruit education and prepare him to join the Marine combat forces.
